

ByAnnie Easy Does It

Instructor: Ruth Bass

Class Description: This is third in a series of Introduction to By Annie bagmaking classes.

This class will introduce you to:

- Attach a zipper to Zipper Strips made from quilted fabric
- Join Zipper Strips to Side Strips to bind an edge for a flat finish
- Bind raw edges on dimensional bags
- Join three-dimensional pieces

You will love the usefulness of this project and it makes a great present for all family members. The handy zippered bag with attached handles will store and carry all your essentials, gifts, craft items, toiletries, lunch, etc. Fabric quilted with Soft and Stables give it great body to stand up for stability and ensures long-lasting wear.

Class Prep:

Fabric selection cut prior to class is encouraged. The Sew Special staff would be happy to assist in selecting fabric and obtaining supplies. These are very Fat Quarter friendly projects! Pre-quilting your bag body (18" x 21") of FQ Main fabric, FQ Lining fabric and Soft n Stable/batting in between will also save time but not required. Also making 2 1/4" binding ahead of time will save time, however instruction will be shown if you are not familiar with making your own binding.
