

# In Control & Catch All Caddy 2.0

Instructor: Ruth Bass

Skill Level: Intermediate

**CLASS Description** - The cutest bag to carry your lunch or anything else in! This bag features a zip-around, gusseted closure and sturdy base. Outer slip pockets and interior mesh pockets hold an ice pack, napkins, utensils, and more. ByAnnie's Soft and Stable gives great stability, provides insulation for contents, and ensures that the bag will look great after repeated use/laundry. Two bag sizes are provided in the pattern.

**CLASS PREP (OPTIONAL) - If you'd like to efficiently spend more time in class assembling the caddy:**

- Quilt the Side Strip and Caddy Front and Back Body with Soft n Stable before class (this body main fabric and lining will partially show, but gets covered with pockets) Pg. 2 Column 1 under "to be quilted"
- Lightly quilt the Case POCKETs with thin interface like (Pellon 987F or SF101) before class (this fabric will show the most, but the thinner interface will reduce bulk) Pg. 2 Column 1 under "to be quilted"
- Have 2 1/4" binding ready for outside body. See pattern for amount needed, based on your chosen size
- If you prefer, quilt items in class, but you may not have time to finish entire project. Follow-on class may be scheduled if needed.

**All supplies are available at Sew Special Quilt shop with 15% discount!**

# In Control

Control the clutter with this sturdy caddy. The small footprint makes it perfect for using next to the sewing machine, on a desk, or on a coffee table.

Five outer slip pockets provide easy access to tools and supplies and a zippered pocket on one end keeps personal items safe and secure.

Expanding dividers on the inside organize a multitude of supplies or collapse flat against the interior of the caddy affording a wide-open interior.

Comfy padded fabric handles make carrying easy and attach with rectangle rings allowing them to fall flat along the front or back.
