

ByAnnie Petit Four Baskets & Piecekeeper

Instructor: Ruth Bass

Class Description: This is first in a series of 3 - Introduction to By Annie bagmaking classes.

This first class will introduce you to: Sew with Soft N Stable interfacing, install zippers, work with mesh, make boxed bottoms, make handles and straps, bind raw edges with fabric, assemble dimensional projects.

First project is a basket for yourself or a gift for someone else! These sturdy little baskets can be used to hold all kinds of small treasures. Second project will be a flat zippered bag to carry project pieces and supplies.

Class Prep: Fabric & mesh selection cut prior to class is encouraged so you have time to go home with a completed projects. The Sew Special staff would be happy to assist in selecting fabric and obtaining supplies. These are very Fat Quarter friendly projects! Pre-quilting your bag body of FQ Main fabric, FQ Lining fabric and Soft n Stable/batting in between will also save time but not required.
