Small but mighty, this compact bag with a secure zipper closure has plenty of pockets to keep you organized. An adjustable, detachable strap allows you to wear it over the shoulder or as a crossbody bag.

Stash a passport, money, or name badge in a combination zippered/slip pocket on the flap. Lift the flap to discover a more private ID or credit card holder. Quickly access a cell phone or glasses in the deep back pocket.

The inside compartment includes three easy-to-access credit card pockets and space for an e-reader, small wallet, pens, and more.
