

HARVEST STAR

Instructor: Linda Heatherley Confident Beginner & Beyond

Class Description: This class is great for a confident beginner. The large blocks in this pattern are cut in a mix and match fashion, using a variety of techniques. This bold, graphic quilt includes a surprising secondary design.

Class Prep: Fabric selection and cutting prior to class is encouraged. Sew Special staff would be happy to assist in selecting fabrics and obtaining supplies.

Supply List:

Harvest Star Pattern by Patchwork & Poodles purchased at Sew Special Quilts

- ALL FABRIC PIECES MUST BE CUT BEFORE CLASS, Fabric A, B and C, chosen for each block
- Sewing machine in good working order
- ¼" foot
- Small cutting mat
- Rotary cutter
- 6" Square Ruler
- 24" Long Ruler
- Scissors
- Pins
- 2"x4" Finished Size Flying Geese Ruler
- Quilter's Magic Wand

Optional: pressing station with a small iron

The sample is the Crib Size. Any size is fine for class. All the blocks are made the same way regardless of the finished size.

To choose colors, half of the FQ's in each quilt size will be for the back layer of the star only, and the other FQ's will be cut up for the front two layers, mix and match. My recommendation is to choose lighter colors for the back layer and brighter colors for the front two stars. This almost gives it a three dimensional look, like the bottom center block on the pattern cover.

There are NO REFUNDS for class cancellations. You may receive a store credit when you cancel 48 working hours before the scheduled class if we can fill your spot.
