October 2020 : “*Driftwood Drive*” Cutting Instructions

This quilt top is a simple and versatile pattern that can be increased or decreased in size depending upon your needs. The fact that it uses only two different sizes of fabric pieces makes it a quick one to cut and sew!

Reminder...please come fragrance and lotion free for the health and wellness of our staff and customers!

OPTION #1: CUTTING THE FABRIC ACCORDING TO THE BOOK INSTRUCTIONS

- * 64 - 4.5" squares (2 charm packs or equivalent)
- * 256 - 2.5" x 6.5" rectangles cut from the jelly roll and assorted prints

OPTION #2: MODIFIED CUTTING INSTRUCTIONS

My sample is made with the following pieces and sizes because I did not want to spend time cutting down the charm pack to 4.5" squares:

- * 42 - 5" squares (1 charm pack)
- * 168 - 2.5" x 7" rectangles cut from the jelly roll

IF YOU WANT TO MODIFY THE SIZE OF YOUR QUILT:

Rows x Columns	Number of 4.5" OR 5" squares needed	Number of 2.5"x6.5" OR 2.5"x7" strips needed	Approximate Size
6 x 7	42 (1 Charm Pack)	168	48 x 56
7 x 9	63 (1 ^{1/2} Charm Packs)	252	56 x 72

9 x 9	81 (2 charm Packs)	324	72 X 72
