SEW SPECIAL QUILTS

Terrace Tiles
Instructor: Ruth Bass
Beginner

Class Description: Are you ready to look at "Layer Cake" bundles just a little differently? Do you have fabric laying around that you'd love to put into a wonderful quilt top? Have you wanted to learn to chain piece to work quickly? How about learning to do a paper foundation technique to change up your quilt squares?

Terrace Tiles is a wonderful quilt pattern that students will learn to change up and look at different options for creating exactly the look YOU want! This quilt top creates a large throw perfect for your decor or beds. Your chosen fabrics will depict the personality of your quilt. Purchasing a layer cake OR cutting your own 10" squares for the main fabric AND background like I did. For best results, have your center strips and optional background 10" squares contrast against your chosen tiles, so the design is easily readable. Help with background fabric ideas can be discussed at class.

A scrappy look is great if you have various 10" squares or 5" x 10" strips leftover from previous projects.

All supplies are available at Sew Special Quilt shop with 15% discount for class supplies
