happy to come back next month. Our lot sizes vary widely. The state requires a min of 500 feet between driveways on the highway. Commissioner Fryer's handout shows all the references to lot sizes. If Mr. Carver feels there are changes that need to be made, this commission will give them to the Town Council and there will need to be a public meeting. Then the Town Council will vote to change the laws. Mayor Thayne talked about the enforcement of ordinances. The mayor's assoc is setting up a district attorney and court system to handle the problems. They will charge us a flat fee per case.
