Public Comments: This is an opportunity for the public to address the council.

10. Building Limits -

Members expressed a need to put some limits on yearly building in Deweyville Town. Nate has not had a chance to inquire with other towns as to what their policies are. Suggested sending a survey to residents to voice their opinions. Council Member Anderson and Klinger will work on getting a survey type together. Further discussion will be tabled until December meeting.

11. Code Enforcement -

Sheriff Wheatley reports 30 calls were made this month for various incidences. Mayor asked if they assisted in enforcing town ordinances to which she replied they do not.

Mayor Kendrick announced that a town citizen has volunteered to be the town code enforcer for 10 cents per month. Planning & Zoning Members are current code enforcers of the town policies and ordinances. Council Members felt that more work needed to be done as to what penalties and consequences are before they can be enforced. Add the question of code enforcement to the building limit survey.

Unfinished Business:

Council Member Reports:

12. Water and Roads (Nathan Spackman)— passed all water tests this year. Everything looks good!
13. Documentation, Public Info. Ordinance Enforcement (Eric Anderson)— now issuing burn permits again.
14. Park, Walking Trail, P&Z, (Carolyn Taylor) -- park/cemetery weeds are out of control. Jim Bundersen walked the area with Carolyn; also bugs. He would be willing to spray at a cost of \$50/hr + cost of chemicals. May not be able to spray until spring. Needs another mower for the park with a bagger, old one always breaking down. Fall leaves an issue - hire Roman Kam to help with cleaning them up.
15. Buildings and Cemetery Maintenance (Joe Klinger)—

16. Planning and Zoning representatives: Eric Page & Alan Zobrist - There are some code violations in the town and letters have been sent to violators. Also there will be an opening on the Planning & Zoning Committee at the end of this year that will need to be filled. Brian Carver, BRAG has read through Planning and Zoning book. He is impressed. Well written and using pieces of it to help other towns/cities. Some holes that need to be
