

off on any proposed project. Building the new fire station will count towards the volunteer hours. This covers private property as well. Mowing weeds, building firebreaks etc all count toward the volunteer hours. The County may have set aside some money that would cover some of the expenses. The Division will come help us find projects if we need. They don't want money, they want protection hours. Fee of \$3400 is paid with in kind hours. CWPP is the plan that implements all of these plans. For instance, our park would be a resource that might be used for the setup for firefighters and the division would reimburse the town. Emergency Preparedness and the CERT teams would fulfill part of this plan. Dusty Richards phone number is 435-890-3071 if we need more information. The agreement was signed.

Unfinished Business:

9. Deweyville Fire Station Progress Report—Steel Concepts is ready to put up the building. They need two weeks notice. We are still waiting on the sink and a hole in the foundation. Ed Tarbett is going to put in the plumbing. We still need to grade it and then we will need people to pour the foundation.
10. Emergency Management—Potatoes are growing. We bought 10 digital radios. People will purchase them at \$150 each.

Council Member Reports:

11. Water and Roads (Nathan Spackman)—Things are going well. Richard has new laptop. Everything has been updated.
12. Public Info. Ordinance Enforcement, Public Safety (Eric Anderson)—State is now banning all fires on east side of highway. You can use a fire pit in your backyard as long as it 25 ft from any structure.
