Public Comments: This is an opportunity for the public to address the council. Please limit your comments to three minutes one time. Please speak in a courteous and professional manner

New Business:

5. **Parking Lot Plan for Expansion**—There was a discussion about taking out the bump and the tree. Council Member Kliger volunteered to take out the tree. We would like to have it done as soon as possible. We are not doing the concrete for the fire station until the parking lot is done. Council Member Kliger will take the tree out this weekend. Council Member Spackman will get someone to take the stump out and clear the area.
6. **Appeal Discussion**—Curt Whiteford explained that Burbanks have 12 acres and they want to sell 3 acres. The Scotts want an exception. Saige and Tyler Scott don't want 5 acres. Brad Burbank wants to keep the tillable fields. They could sell the slough but don't want to. Planning & Zoning position is they need 5 acres to build. The Litchford lots were mentioned but they were non conforming and grandfathered in and by selling one acre it didn't change anything. Curt is afraid anyone then could want to build on smaller lots. Duncan Murray is the mediator.
7. **Cemetery Security**--;We have had issues with people using the cemetery as a road to the mountain. Eric Page has put berms and blocked off areas to keep people from going thru. The barrier slows the traffic. Curt Whiteford says you could block the green gate and only maintenance could get in to the cemetery. If we paved, we could put a speed limit on the road. Council Member Spackman will get some speed limit signs. Council Member Kliger will get signs saying cemetery use only for inside the cemetery. And one saying please close the gate. Speed bumps might work as well.
8. **5 - Year Plan Discussion**—Mayor Kendrick would like to make a 5 yr plan for capital improvements. Please email or text her your plans for the next 5 years.
9. **Evaluation of July 4th Breakfast**—We made \$584.35. Next year it was decided we would do bacon instead of sausage. We did not have to buy paperware this year but next year we will need to buy. Jon Thompson will do the flyover next year. Next year there should be T shirts.

Unfinished Business:

10. **Deweyville Fire Station Progress Report - Eric Andersen**—Both trucks are now in the station. There isn't much room with the trailer in there. It is not Deweyville's building so trailer is temporary. Mayor Kendrick and Council Member Andersen are having a meeting tomorrow to discuss the station and the trailer.
