- 8. Brent Craven - Law Enforcement Services** – Mr. Craven was more interested in a Code Enforcement rather than law enforcement. He inquired about dog ordinances. It was presented to him that Deweyville Town has no dog ordinances in place and all complaints were to be handled by the Sheriff, making note that complaints need to be documented before Sheriff Dept. can visit situation after two offenses. Mr. Craven would like to spend some time reviewing what ordinances have been passed by Deweyville Town.

Unfinished Business:

Councilman Joe Kliger suggested we compile a hard copy and put on the web the current Ordinances in force.

Councilman Nate Spackman would like to see a growth cap per year ordinance put in place to better protect our town from more growth than could be adequately handled in this city. It was also suggested that we re-visit our own Master Plan and check with other cities to see what they have in place. Issue to be revisited in two months (Nov).

Councilman Nate Spackman also entertained the idea that Deweyville Town needs to update payment capabilities by having auto pay and/or a card reader to accept payments from customers (water bills, rents, etc.). He will check around at some local banks and report.

Council Member Reports:

- 9.** Water and Roads (Nathan Spackman)—Spent lots of money last month. Electrical storm took out transducers, pump replacement. Needed repairs.
- 10.** Documentation, Public Info. Ordinance Enforcement (Eric Anderson)—still have Crystal Springs discount tickets, if interested.
- 11.** Park, Walking Trail, P&Z, (Carolyn Taylor) – walking trail project has been started. Will be paved first of next week. Mosquito abatement coming to spray tonight. Collecting 3 bids for commercial grade sprinkler system. When has all 3, will present them and council can compare and decide what fits into budget.
- 12.** Buildings and Cemetery Maintenance (Joe Kliger)— some weed control issues. Would there be a place for public comments voicing concerns? Add to website a place for comments or suggestions concerning cemetery issues. Eric Anderson will add to web.

Adjourn: 8:30 PM
