Piecing Corrections

Page 8 - Border Side Triangles - Embroider on the Fabric D triangles cut from 19-1/2" squares and the center point of the embroidery should be 3-1/2" from the triangle edges.

Page 9 - Border Corner Triangles- Embroider on the Fabric D triangles cut from 14-3/4" squares. After embroidering, trim the long sides of these triangles so that their raw edges are 1/2" away from the embroidered designs. Do NOT trim the SHORT sides of these triangles.

Page 10-13 - All references to Fabric B strips and squares should be to Fabric E strips and squares.

Page 20 - Block G - Refer to the half-square triangle directions for Block F, rather than Block E

Page 21 - Block H - Attach dark triangles to the light center square 3-1/2" x 3-1/2" and trim the first Diamond-In-A-Square to 4-3/4" x 4-3/4", rather than 4" x 4".
