YARN CLASS SCHEDULE

Fall 2020

Due to Covid 19, we have new rules/regulations for our classes that we have put in place to keep staff and students safe:

- All classes will occur when the store is closed.
- All classes have a maximum of 4 students and a minimum of 3 students (in order to be able to pay our instructors). Due to this very tight window, we may need to cancel classes at the last minute. We're sorry for any inconvenience this may cause.
- Students are required to wear a mask (covering the nose and mouth) throughout the class.
- Students are required to use hand sanitizer when entering the store. Hand sanitizer will also be available on the class table and our instructors will be required to use it before and after touching any customer's project. We encourage students to do the same.
- We have set up our class tables to accommodate all customers with at least 6 feet of space between them and across the tables.
- No food or drink is allowed.
- While our bathroom is currently closed to the public, we understand that two hours is a long time to go without using the facilities. If you need to utilize our bathroom during class, we simply ask that you clean all surfaces after use with the sanitizing wipes provided in the bathroom.

Knit-A-Longs and Crochet-A-Longs

Knit-A-Longs and Crochet-A-Longs are social knitting/crocheting times where the participants all work on the same or similar projects. There is no instruction, so technically, Knit/Crochet-A-Longs are not really classes; however, there is a staff host that can provide some guidance. Knit/Crochet-A-Longs run approximately 6-10 weeks depending on the project.

Frequently Asked Questions

Q: How do I register?

Registration is easy – stop in to register in person or call us at 651-457-4969 or go to our website at www.3kittensneedlearts.com.

Q: What should I bring to class?

Bring any tools you might need – scissors, tape measure, tapestry needle, paper, pencil, stitch markers or stitch holders, etc. We call this your “knit kit” or your “crochet kit”. And, bring your enthusiasm!

Q: Can I get help between classes?

We are always here to help you! Your instructor will let you know what hours she typically works in the store and if she teaches any of our studio classes. Plus, our staff is very knowledgeable and is willing to help! If you need more than just a little help, we can always set up a private coaching session (\$25/hour) with your regular instructor.

Q: What is homework/pre-work?

Pre-work or homework is simply something that you need to do prior to the first class. Generally, it will involve knitting gauge swatches or knitting samples to work on in class; however, sometimes it includes watching videos or doing some reading before class begins. Please make sure to do all pre-work/homework in order to make sure your learning experience and that of the other students is the best it can be!

Q: What do the Skill Levels mean in the class descriptions?

We use a system of Skill Levels to help inform students about what things they should know before taking a class – prerequisite skills, if you will. To find a detailed description of our Skill Levels, please visit our [website](#).
