In this class, you'll learn all the basics, plus Janet's favorite tips, tricks, and must-have tools to make your paper piecing journey smooth and successful. Whether you've dabbled before or are brand new to the method, this class is the perfect place to build your confidence and sharpen your skills!

Class Prep:

Before class, please make a copy on the Perfect Piecing Paper of at least five of the scrappy triangles in the pad so we can practice our technique! Definitely use the first and second and then pick a few from the book you like. Cut your background fabric in $7\frac{3}{4}$ " squares (you will need at least four) and then cut them diagonally to make triangles.
