

## Stripology Rotary Cutting 101

Date:

Time:

Instructor: Janet Wells

### Supplies to bring to class:

- Rotary cutter: Olfa or Creative Grids are the brands we love the best for accuracy and safety. The trigger handle is the safest and the Endurance blade will last the longest. You will want a cutter that is 45mm or 60mm for this class. The Stripology ruler does not always work with Fiskars cutters.
- Please bring a brand new rotary blade that will work in your cutter!
- Rotary rulers: for this class we will be learning tips and tricks with the Creative Grids XL Stripology Ruler. Please purchase in advance! Please note: If you do not have the XL model, there will be skills in class you will not be able to do.

Rotary mat: You DO NOT need to bring a mat to class. We have plenty in the classroom to share with you!

### FABRIC:

- Please bring 2-3 yards of 40-42" width of fabric for practice cutting. You can pre-starch and press your fabric if you wish.

This does not need to be expensive fabric! Find something in our SALE ROOM for 50% off! DO NOT bring wide-back fabric or fabric without the selvege.

Due to copyright laws, SHARING/COPYING OF PATTERNS IS PROHIBITED. A pattern must be purchased to attend classes at Cinnamon's. Please do not ask CQS Staff to make a copy of any pattern. Your cooperation is appreciated. Thank you!
