Class Prep:

Pre-treat (starch, steam, etc) your fabric BEFORE cutting! Please cut and label all fabrics as shown on page 1. You will not need your border fabrics until the final class. This class does not cover the applique of letters on the quilt top but if you are interested, Janet will talk you through the process.

The class sample is 66" x 86". If you want to make a different size, please see the pattern for fabrics required.
