

Basic Rotary Cutting Tips and Tricks

Date:

Time:

Instructor: Janet Wells

Supplies to bring to class:

Rotary cutter: Olfa is the brand I love the best for accuracy and safety. The trigger handle is the safest and the Endurance blade will last the longest. You will want a cutter that is 45mm or 60mm for class.

Please bring a brand new rotary blade that will work in your cutter!

Rotary rulers: **You will need TWO Creative Grids rulers, one needs to be at least 24 ½” long.**

We cannot guarantee other rulers will work with the tips and techniques Janet will be showing in class. This is our favorite brand and we will discuss why during class. If you are purchasing rulers before class, these are favorite sizes:

- 6 ½ x 4 ½
- 2 ½ x 12 ½
- 6 ½ x 24 ½
- 12 ½ x 8 ½

Rotary mat: You DO NOT need to bring a mat to class. We have plenty in the classroom to share with you!

FABRIC:

Please bring one yard of 40-42” width of fabric for practice cutting. This does not need to be expensive fabric! Find something in our SALE ROOM for 50% off!
