Also recommended and helpful in many classes:

Pattern: Fat Quarter Friday (available at Cinnamon's Quilt Shoppe)

Fabric:

We will be making the "squares" quilt in this pattern. I recommend the crib or throw size pattern for class but if you have the time to do LOTS of homework, you can certainly go for the twin, queen or king sizes.

Please see the pattern for the number of fat quarters you will need as well as the backing and binding amounts. You will not need backing or binding during class.

Before Class: Please iron and starch all your fat quarters. We will not have the time in class to do this. I want you to spend your time learning to cut and sew the quilt! I recommend using Professional Faultless Starch (with the gold top). You can find it at most Publix, Target or Walmart stores. Cinnamon's also carries Best Press which will work as well!
