

HAPPY HOLIDAYS TABLE MAT

Thursday, October 3

5:30pm-7:30pm

Instructor: Janet Wells

Supplies to bring to class:

Sewing machine in good working order (cleaned and oiled recently)

Sewing machine manuals

Extra bobbin and needles for machine

Foot pedal and cord for sewing machine

Fabric

2 fat eighths or 6 (six) strips 1½" x 21"

A contrast fabric: fat eighth

Background: 1/3 yard

Binding: 1/3 yard

Backing: 5/8 yard (you won't need binding or backing in class)

60 degree triangle

A good fabric treatment to prevent bias edges from bending (I recommend Faultless Premium Firm Finish ironing spray-available at Target with the gold top!)

Happy Holidays pattern from Atkinson Designs ATK-147

Plus:

- Pincushion and pins
- Fabric scissors
- Seam ripper
- Rotary rulers, rotary cutter and cutting mat. You will need one ruler for your straight angle and another, at least 24" for your long cuts. I always recommend Olfa rotary cutters and Creative Grids rulers!

Recommended but not required:

- Clearly Perfect Angles vinyl overlay tool for precision ¼" seams and amazing triangle flips. (If you do not have your Clearly Perfect Angles tool installed before class and wish to use it in class, please come 30 minutes early and I will get it installed for you before class.)
