

## MOVING AHEAD WITH ROTARY CUTTING

Date:

Time:

Instructor: Janet Wells

### Supplies to bring to class:

Rotary cutter: Olfa is the brand I love the best for accuracy and safety. The trigger handle is the safest and the Endurance blade will last the longest. You will want a cutter that is 45mm or 60mm for this class.

Please bring a brand new rotary blade that will work in your cutter!

Rotary rulers: for this class we will be learning tips and tricks with the Creative Grids XL Stripology Ruler as well as your 6 ½" x 12 ½" Creative Grids rulers. Please purchase these in advance!

Rotary mat: You DO NOT need to bring a mat to class. We have plenty in the classroom to share with you!

### FABRIC:

Please bring 2-3 yards of 40-42" width of fabric for practice cutting. This does not need to be expensive fabric! Find something in our SALE ROOM for 50% off!
