10:30am – 1:30pm  
Instructor: Robyn Nelson

Supplies to bring to class:

**Book:** One Block Wonders

### **Fabrics:**

This type of quilt project usually features fabrics with large patterns and a large repeat, for example 24". Four to five yards makes a very comfortable lap quilt and depending on borders, it can grow to almost any size.

To make a good lap-size, twin or full-size quilt, purchase 4 ½ yards for hexagon blocks (like the sample) or 5 ¾ yards for octagon blocks. For a queen size or larger quilt, double those amounts to 9 yards for hexagons or 11 ½ yards for octagons.

For example the store sample uses hexagons. It required 6 repeats of 24" to equal exactly 4 yards. You can add an extra half yard or yard to have a piece of the original fabric as a reference. Robyn purchased 4½ yards.

### **Notions:**
