

Personalize It All Using Your Cutting Machine

Saturday, March 2, 2019

10:00am-4:00pm

Supplies to bring to class:

- Cricut, Scan and Cut, or Silhouette cutting machine.
- Software provided with your machine should be loaded to your laptop and both should be brought to this class.
- Computer or USB memory Stick. You will learn to connect your cutter via your laptop by USB cord or via Bluetooth. If you can't bring in your computer, bring the memory stick with a design or we can load a design if needed.
- Mug, glass, T-shirt to apply design
- Paper glue, Elmer's etc.
- Bring all Cutting supplies (weeding tools, transfer paper, scissors or paper cutter etc.) that came with your machine along with papers, vinyl sheets, iron on sheets to create your project. We will have some to use for a small donation. Supplies can also be purchased at JoAnn, Michaels, and Hobby Lobby.

** Lunch on your own. This class will not be learning to cut fabric at this time. If you have any questions, feel free to contact Anne Morgan at amorgan6@hotmail.com.
