Class Overview

If you love Jen Kingwell patterns, here is her next round of monthly blocks. Use your stash to put together an amazing project or choose from Jen's new Jar of Lollies and Jar of Bonbons fabric collections. This 12-month quilting adventure guides participants through a stunning medallion-style quilt featuring a delightful mix of appliqué, hand piecing, and machine piecing techniques. Each month introduces new blocks and design elements that build into a richly layered quilt full of movement and personality. There is an optional thread kit available for purchase. 25 blocks are needed to complete the project as pictured. Finishes at 68" square
