Choose an Easter Egg from our basket when you purchase \$25* or more and win the gift listed inside.

*must be regularly priced items

Happy Mother's Day!

Welcome Spring!

We're getting closer to our new norm and I'm ready to get back to doing things with friends and being able to host quilting events like our free sewing days. I've missed seeing so many of you over the past year and I hope that everyone is safe and healthy!

EVENTS

We're still staying pretty quiet as far as events go right now. We did do our annual Quilt Run 101 in February. Thank you to everyone who braved the winter weather and I hope you had fun getting out and about. Because of road issues, the drawing for winners won't be until March 15th. I can't wait to see the Challenge quilts as they start to come in over the next several weeks. This year should be much smoother and pictures of what people were able to do with such disparate fabrics should be available on the quiltrun101.com website as well as the Quilt Run 101 facebook page by the middle of May or earlier.

We are going to do our annual Easter Egg Giveaway this year. Choose an egg from our special basket when you spend \$25 or more in regularly priced merchandise and win the prize listed inside! Prizes range from nail files to a yard of fabric. This event will take place on Saturday, April 3rd.

We're still limiting in store class size to 3 people, but at least we can offer classes again. We can keep 3 people 6 feet apart and provide each student with their own ironing station. If we have more than 3 people, we will schedule a second class date. We can have as many students as we like using the Zoom remote situation. As more people are vaccinated, we may be able to ease up on these restrictions and possibly even offer mask free classes. It looks like if everyone participating in the class has had their vaccination (including the teacher), then masks may be optional. We will stay compliant with the CDC guidelines for groups in order to keep our patrons safe.

Other Important Items

Shop hours are Tuesday through Saturday 10 am to 5 pm. Please feel free to call the shop for current store hours (541-347-9021). The online store is open 24 hours a day. We are offering free shipping on orders over \$75 and a flat rate of \$3 for orders under \$75. I am still doing curbside pick up and free delivery within the Bandon zip code.

Spring Class Schedule 2021

Intro to Sewing: Pajama bottoms

Fridays, March 19th 10 am to 12 pm & Friday, March 26th 10 am - 12 pm

Taught by Bessie. \$20

This two part class is for the beginner ready to try garment sewing. The first class will teach you how to read a basic sewing pattern and to lay out the tissue pattern on to your fabric and get it cut out. In the second class, you will sew and complete the pajama bottoms with an elastic waistband. The emphasis will be on pattern sewing instructions and hemming. Pattern included.

Intro to Sewing: Bed Pillowcases

Saturday, March 20th 10 am - 12 pm

Taught by Michelle. \$15

This is a good class to learn how to use your sewing machine. Pillowcases are easy to make and make great gifts for your loved ones. We will be using the "burrito" method for containing the cuff seams. Can be made with double stitching or french seams.

Four Seasons - Spring Tulip

Saturday, March 20th 12 pm to 4 pm

Taught by Diane. \$30 (includes pattern)

Take yourself to the next level in quilting. This class will teach you how to achieve no bias triangles with two different methods. Both are easy and can be used on any project. This small wall hanging can be made for any or all four seasons to brighten your home or give to a friend. Beginners welcome. Includes pattern.

Jelly Roll Race Quilt

Friday, April 9th 10:30 am - 3:30 pm

Taught by Diane. \$20 (includes instructions)

Come have some fun on a jelly roll run. It's the fastest way to make a quilt top in a day and a great way to use up one of those luscious rolls in your sewing stash or a great excuse to buy that one you've been drooling over at the store!

Potato Chip Bag

Saturday, April 10th 10:30 am to 3:30 pm

Taught by Michelle. \$20

This is a small bag (7" x 6" x 2"), but is super cute and so easy to put together that you'll want to make more than one! It just uses 3 fat quarters and some interfacing, so economical too. Pattern required.

One Fabric Kaleidoscope

Saturday, April 17th 10 am to 4 pm

Taught by Michelle. \$20

The best fabric to use for this pattern is one of In the Beginning's many border prints. Other fabrics will also work well, just bring in what you have and we'll let you know. One theme fabric and a background are the only 2 fabrics that make up all of these pretty blocks. One of several pattern options required.

Beginning Hand Applique

Saturday, April 24th 10 am - 3 pm

Taught by Michelle. \$20

Appliqué is great as an easy to take with you project. Learn the basics to doing traditional needle-turn appliqué. With a few simple tricks, appliqué will no longer be a four letter word and will open up a whole new world of ideas and patterns. Pattern provided.

Creative Coloring

Saturday, May 1st 10 am to 11:30 am

Taught by Michelle. \$10

Learn how to use colored pencils on fabric to color designs or enhance hand embroidery. Color pencils offer more control of the color and design than crayons and have almost a watercolor look when done.

Beginning Hand Embroidery

Saturday, May 1st 12:30 pm to 4 pm

Taught by Michelle. \$15

Learn how to do many of the basic embroidery stitches like outline stitch, backstitch, french knots and several more. Also known as slow stitch, hand embroidery makes a great portable craft project that can travel with you.

Scrappy Rug

Saturday, May 15th 10:30 am to 3:30 pm

Taught by Diane. \$30 (includes pattern)

If your shelves and closets overflow with outdated fabrics, this project is for you! Cut into strips, the fabric will soon be transformed into a wonderful and useful rug for any room in the house. No experience required! Fringe optional.

Pattern included.
