## ***Tips for working with Cuddle:***

- 1) Use a walking foot for assembly. This helps the thickness of the layers slide through the sewing machine.
- 2) Pin layers together, pinning 2" apart. This will keep the stretchy fabric lined up while assembling.
- 3) Use a Stretch 90/14 needle and increase stitch length.
- 4) For more information go to: [www.shannonfabrics.com/cuddle-tips-and-tricks-ezp-30.html](http://www.shannonfabrics.com/cuddle-tips-and-tricks-ezp-30.html)

## ***Cutting Instructions:***

- 1) Enlarge the Stocking templates 200%.
- 2) Fold fabric right sides together with the fabric nap pointing towards the bottom edge, place the stocking template on top of the layered fabric so the bottom of the stocking is towards the bottom edge. Repeat with the toe template. Trace the templates and cut out the pair of stockings and toes. You should have two stocking pieces and two toe pieces that are mirror images of each other.

## ***Assembly Instructions (All seam allowances are 1/4"):***

- 3) Pin right sides together then sew one toe piece to the matching stocking piece for the stocking front (Fig. 1). Repeat to make the stocking back.
- 4) Pin the stocking front and back, right sides together and sew the two halves together leaving the top open (Fig. 2). Turn the stocking right side out.

- 5) Turn under one 11" edge about 1/2" on each 6" x 11" cuff strip and top stitch to make one finished edge on each cuff strip.
- 6) Place the two cuff strips right sides together. Fold the 6" piece of ribbon in half and slide it in between the two cuff pieces along one short side (Fig. 3). Sew down each short side, leaving the two long sides open. Turn the cuff right side out.
- 7) Slide the cuff inside the stocking, aligning the raw edges. The right side of the cuff should be against the wrong side of the stocking. Pin together. Stitch around the raw edges to attach the cuff to the stocking.
- 8) Pull the cuff out of the stocking and turn the finished cuff down over the stocking to complete.
- 9) Repeat Steps 1-8 to make remaining two stockings.
