

From Nancy

To my dear friends & customers,

I want to begin by saying I hope that each and every one of you are well and not experiencing too much stress over the COVID-19 outbreak. Please know that I am thinking of all of you and appreciative for all the love and support that you have given to all of us at Needle House.

After listening to our city and state officials, I have decided that the best way that I can do my part is to limit our hours and observe social distancing at Needle House. Please know that we still plan to fully support your needlepoint needs as we think this situation provides a wonderful opportunity for stitching to relieve stress, boredom and bring some joy to each of us through our favorite pastime!

**Needle House will be open Monday through Saturday
11 a.m. to 1 p.m. for “drive up service”!
We will gladly bring anything out to your car that you might need.
You may call us at 713.522.9704
or
email us at needlehouse@theneedlehouse.com
and expect us to reply promptly to your requests.
We are eager to mail you anything you might need as well.
Do you have a canvas that needs a stitch guide?
Just drop it off for us to work on and we will call you when it is ready!
Have you completed your project and want to drop it for finishing?
Just bring it by with your instructions!
So, in essence it is business as usual
(with limited hours and social distancing)
in these unusual times!**

Unfortunately, but understandably, the upcoming market was cancelled, but I have been in contact with many of our artists and will be ordering new designs this week! Watch our social media and emails for updates on inspiring new designs. Also, our Spring Newsletter was already printed so it does not address the seriousness of the current situation.

Stitchers, this is a most difficult time that we are facing, but together I have every faith that we will make it through this stressful time. Needle House hopes to be a light for you to help keep your spirits up!

Happy Stitching & Be Well,
