Supplies Needed

Quiltsmart Money Bags printed interfacing (CTH# 40010)

(this will make three bags!!)

Fabric requirements for One bag

For strap: One 1.25" x 5" piece of fabric, OR 5" piece of Grosgrain ribbon ¼"-1/2" thick

For bag body: One 5" x 18" strip of fabric

For Closure: 1" piece of hook and loop sew on tape

(you will get enough interfacing for 3 bags and they work us fast so you will most likely be able to finish All three in class-plan your fabric accordingly)
