

**Decide Where Each Fabric Will Appear in the Strata.
Sample Has 2 Strips of Different Low Volume Prints & 3
Colors. Cut Strips Using These Measurements.**

← 2"

← 2-1/2"

← 3-1/4"

← 2-1/2"

← 2"

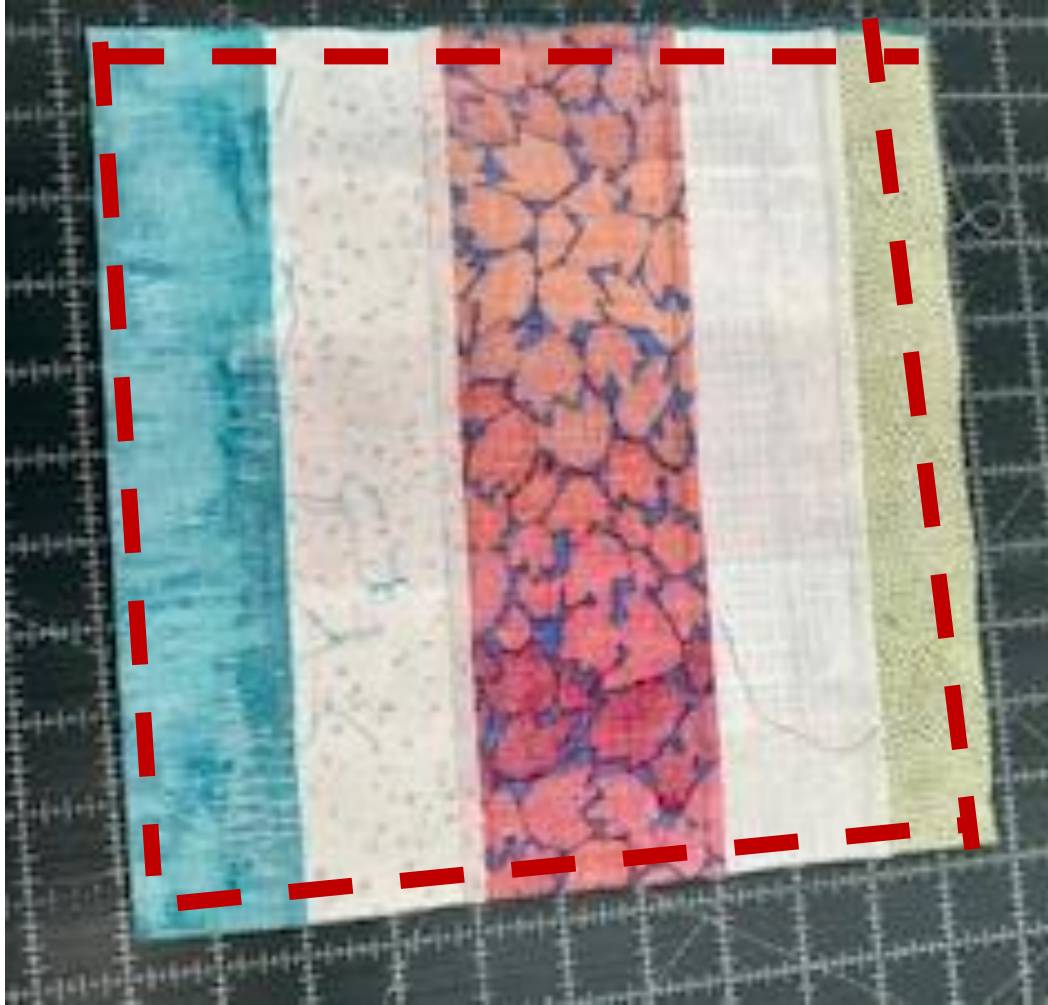

**Sew the Strips Together & Measure the Result.
Should be 10".**

**Cut Two Squares That are the Exact Same
Measurement as the Height of the Strip**

Position the Pieces So that The Seams of One Square Are Horizontal & the Other Square Has Vertical Seams.

**Place the Squares on
Top of Each Other,
Right Sides Together
With the Seams in
Opposite Directions.
Sew $\frac{1}{4}$ " Around All
Four Sides**

**Cut The Unit Twice,
Diagonally, Like an “X”**

Separate the Cut Units into Squares. Press & Trim Square. Rotate the Pieces Until They Form a Pleasing Layout

**Join the Squares
Together Like a
Four-Patch.**

All Done!
