Embroidery Towel Club

Date: Tuesday September 15th, 2026

Time 10:00 am – 12:30 pm

This month we will be doing Applique Embroidery Designs. Please bring the following to class:

A White or light-colored kitchen Towel. Homespun or terry type will both work with Applique

Embroidery Thread: A variety of colors, including yellows, greens, reds, pinks, orange, rust, browns, blues, gold, and white. Sometimes it is nice to use colors that will match your kitchen. Floriani and Mettler Embroidery Thread is available at Close to Home.

View the designs in the picture to get an idea of the offered designs. If you want to bring your own fabrics for the appliques. Cut the pieces at least 5" x 5". Back them with Heat n' Bond Light if they are lightweight to help prevent fraying. Heat n' Bond or similar is available at Close to Home.

One or two Bobbins wound with 60 or 90 weight embroidery bobbin thread.
75/11 or 90/14 embroidery needle

Stabilizer: Floriani Wet n' Gone, or similar Vilene type, Available at Close to Home.

Embroidery Hoop for your machine, minimum size 5 x 7". A bit larger is helpful.

Scissors: Double curved embroidery /applique scissors, regular scissors and thread snips

Long thin pins or temporary basting spray to secure your towel to the stabilizer

The Embroidery patterns will be available during each class. Please tell the desk the make and model of the embroidery machine you intend to use. Please sign up ahead of time – the class has a maximum of 10 spots available!

Choose a design from the offerings and bring home a new towel for your kitchen – or a lovely gift for someone special in your life! Come join us in the fun!

Also, bring the following:

Embroidery machine and embroidery arm, cleaned and in top running condition*

Embroidery foot, Power Cord and Instruction Manual

You need to have a working knowledge of the Embroidery portion of your machine for this class.

Thank you for coming to class prepared

Supplies available at Close To Home

Students get 20% off supplies for class and on class days

***Your machine should be lint free, lubricated and have a new needle**

We cannot provide service during class
