

## Bargello Supreme

(59" x 55")

**Date:** Saturday, May 11<sup>th</sup>, 2019

**Time:** 10:30am-4:30pm (Bring a lunch)

**Instructor:** Cherry Watkinson

**Fee:** \$60

### **Class Description:**

A simple Bargello technique produces a spectacular wall hanging using the very minimum amount of fabrics. Batiks and small prints work best.

### **Supplies Needed:**

- All-purpose Mettler polyester thread (CTH#9161) - Medium gray or matching color for piecing
- Thread to match for quilting
- Creative Grids Ruler 6 ½" x 24 ½" (CTH#560056)
- Soft Tape Measure
- Scotch Tape
- Sewing machine in top working order, with new Universal 80/12 needle (CTH#402113) or if using batiks, Microtex Sharp 70/10 needle (CTH# 400375)
- ¼" foot for your machine – Required-no exceptions
- Rotary cutter with new blade (45mm)
- Cutting mat
- Full bobbin
- Glass Head Pins (CTH#200257)
- Small scissors and seam ripper
- Optional, but very helpful: Travel or regular sized iron and ironing mat

### **Fabrics:**

8 coordinating Fat Quarters (FQ) or equivalent

Inner border: 3/8 yard

Outer border: ¾ yard

Backing: 3 yards

Binding: ½ yard

Batting: Cotton Dream Throw-size (CTH#1010671)

\*Increase above fabric amounts if borders etc. are larger than sample

\*Finished Size can vary depending on size of borders. Sample is 50" x 55". Batting also depends on finished size.

**Pre-Class Work:**

If necessary trim one side of your FQ. Line it up carefully for a 90 degree angle with the salvage edge which is not yet removed

Cut five 3 ½” strips from each FQ. The salvage selvedge edge should be at the bottom against your tummy when you cut the strips.

Over the numbers 1 – 8 below, you will be sticking an approximate 1-inch square piece of each of your FQ’s so that you do not lose track of the order in which they are pieced. This is vital throughout the project. If you have not decided on an order we will help you at the start of class, but at least have the swatches cut.
