

Divided Basket

Date: Thursday, April 2nd, 2026
Instructor: Sandi Murray

Time: 10-1:00 or 6-9:00
Fee: \$30.00

Come learn how to make this sturdy, versatile basket for storing all kinds of goodies. Use it to store fabric and tools for your current sewing project. Great for crochet or knitting projects and for gift giving. The divider is sewn on the sides and bottom of the basket leaving no gaps for anything to slip through.

Fabric:

- Main Fabric – ½ yard
- Lining Fabric – ¾ yard
- Accent Fabric – Fat Quarter (18” x 21”). You may need more if fabric is directional.
- Shape Flex (SF101) – 1 yard
- Bosal Single Sided Fusible Foam (18” x 58”) OR 1/3 yard Fusible Fleece. **(Please note that the Bosal Foam makes a much sturdier basket but can be more challenging to sew with. You can do it – just take your time!)**

Supplies:

- Divided Basket Pattern (CTH# AG527)
- Thread to match your fabric. There is some top stitching in the basket.
- Microtex 90/14 Needle (CTH# 08907121)
- Scissors and Rotary Cutter
- Marking Pen
- Straight Pins and Wonder Clips
- Square Ruler to cut corners (minimum of 3”)
- Clear Sole All-Purpose Presser Foot
- Stiletto (helpful when sewing through multiple layers and keeping fabric from puckering)
- Sewing machine in good running order
- Small iron and ironing pad (optional but nice to have)

PRE CLASS WORK: Read through your pattern thoroughly to familiarize yourself with the process. CUT ALL YOUR PIECES PRIOR TO CLASS. YOU MAY USE THE TEMPLATES PROVIDED WITH YOUR PATTERN TO CUT YOUR FABRIC AND STABILIZERS OR USE THE DIMENSIONS ON THE REVERSE SIDE (which are also provided on the templates in your pattern). YOU WILL NOT FINISH YOUR PROJECT IF YOU DO NOT COMPLETE THE PRE CLASS WORK.

THANK YOU FOR COMING TO CLASS PREPARED.
