

Floral Menagerie

All the recommended Supplies for making the Quilt are listed below. Which specific supplies you bring to class will depend upon your chosen cutting & construction methods (Go Cutting system, Pattern directions, specialty rulers) ...and whether you plan to cut & sew in class...cut only...sew only...observe class & cut/sew at home. Please note that Floral Menagerie is a series of 11 classes to construct 12 blocks. As we move forward through the year it will be necessary to “double up” construction of some of the easier blocks to achieve our goal. Please call Sandi if you have any questions.

Supply List

Floral Menagerie Pattern

Fabric per Pattern Specifications, plus extra if altering pattern

Approximately ¼ yard “extra” of colored fabrics for 3 or 4-sided block borders

Additional 1-1/4 yards of Multi-Color Floral to add a 4-inch finished outside border. Note fabric is DIRECTIONAL.

Cutting options will be discussed in first class
