Brief Class Description:

A twelve-month program designed to use different sewing machine techniques and accessories each month. Combine these techniques with machine applique or machine embroidery (optional) to complete a seasonal towel with each class. Lynda Howell of The Stitchers' Garden Quilt, inspires us with some great new "machine gymnastics"!

Fee includes a CD with patterns, designs, instructions and 12 hands on classes!

Each month's design includes instructions for both machine embroidery and hand applique. You choose which method you would like to use to make your towels.

The first class will be 3 hours, all others will be 2 hours.
