

Quilt As You Go

Date: Wednesday, November 15, 2017

Teacher: Gerry Terninko

Time: 10:00 – 1:00 or 6:00 - 9:00

Fee: \$30.00

Are you just finishing up the “Ruler Work” class? Or, do you have a stash of finished blocks... Learn how to turn all of those finished blocks into a gorgeous quilt using the Quilt as You Go Method. All you need is at least six (6) blocks that have been backed and quilted. In class, we will trim the blocks and join them together with sashing. Both the front and back will be finished using this method. If you wish to include borders, you can do so by using cornerstones. (See the class sample for an example) Add binding and you will have a finished quilt or wall hanging!

You will need:

Fabric:

Enough fabric to cut sashing strips to go between the blocks and rows on both the front and back. You can use different fabrics on the front and back. You should pick something for the front that will coordinate with your blocks and use something on the back that will match or coordinate with your backing.

Use the following guide to estimate how much fabric you will need for the sashing strips.

* Please note: The following yardages were calculated based on a quilt with 4 blocks across and 5 blocks down.

| Block Size | Front Sashing | Back Sashing | Front Border Sashing | Back Border Sashing |
|------------------|---------------|--------------|----------------------|---------------------|
| 8-inch finished | ¾ yard | ½ yard | ½ yard | 1/3 yard |
| 9-inch finished | 1 yard | ¾ yard | 2/3 yard | ½ yard |
| 10-inch finished | 1 yard | ¾ yard | 2/3 yard | 1/2 yard |
| 12-inch finished | 1-1/4 yard | 1 yard | 2/3 yard | ½ yard |
| 15-inch finished | 1-1/3 yard | 1 yard | 1 yard | 2/3 yard |
