## Supply List

### Day 1 – Piecing the Quilt Top:

OVER THE MOON Pattern by Linda Warren Designs

The Learning Curve (THC) Ruler

6"x24" Quilter's Select or Creative Grids ruler

28 mm rotary cutter (optional to use with TLC ruler)

45mm rotary cutter for all other cutting

Cutting mat

Rotating cutting mat (optional, but I find it very helpful when using the TLC ruler)

Sewing machine in top running condition with 1/4" foot (& Ruler Work foot for Day 2)

1-1/4 yds fabric (circles)

1-1/4 yds fabric (background)

- Sample uses 2 complimentary colors of the Same Value to achieve low contrast color scheme.

Border fabric (optional) 1/2 yd (should be a darker shade of the Circle fabric)

1-1/4 yds. backing fabric - your choice

50wt. Thread for piecing

Portable classroom size design wall (optional, but very helpful)

### Day 2 - Quilting Your Top:

Your choice of quilting thread

Westalee **Design Kit**

Westalee **12-1/2" Crosshair** template

**Between the Lines** Circle template

**12" Arc** from Starter set

**Paisley** Template set

**Spin-E-Fex** templates including #3, #8, #10, #11, #13 & Curly Q.

Removable markers of your choice. I used air erasable pen and marked one block at a time

Quilters Dream Batting at least 46"x60" (crib size)

Extension table for your sewing machine

Around the circles I used **Between the Lines** 1/2" circle and the new Paisley set (you need to be able to use two or three different size Paisley templates to go around) and the 12" arc in the corner of each block. I recommend purchasing the full set version of whichever templates you decide to use. Having multiple sizes of at least one or two different template styles allows more variety of design. You will be able to use them in other quilt tops too. In some blocks the size of the template used varied based on the overall design I wanted to achieve. Which **Spin-E-Fex** templates you choose and how many depends on your personal choice and budget.
