

planning growth through creation of an Area Master Plan for 700 North. A special revenue area has been created along the corridor to help fund utility improvements with increased property tax revenues as new development occurs. The City and UDOT are also planning for future interchange improvements, widening, traffic signal and transit improvements in the area.

Lindon's elected officials and staff are constantly seeking funding for transportation projects and are well aware of the need for future traffic and transit improvements in Lindon. Lindon's City Engineer and Planning Director were successful in obtaining \$706,000 in transportation grant funding to help improve the 200 S. Geneva Road intersection & traffic signal. The location has seen a substantial increase in traffic congestion primarily due to business growth in Lindon's industrial areas. This funding is available in FY2021-22.

Lindon's Building Inspectors and Public Works Divisions work diligently to keep up with demands from new building construction. Since the Great Recession the city has annually seen tens-of-millions in value added to the community from new buildings and developments. Maintaining a high level of service in community development services and Public Works is a priority for the City. In 2020 the City filled several Public Works positions to assist with increasing demands on our utility systems. We thank our planners, inspectors, engineers and utility maintenance employees who are keeping up with an increasingly demanding work load.

## Get Involved!

Citizens can get involved in the budget process by attending annual public budget hearings and budget discussions with the City Council. The City makes the proposed budget for the upcoming fiscal year available to citizens in late April or early May. From May to June the City Council holds meetings on the budget where citizens can come express their views and ask questions about the budget. Questions and comments at other times are always welcome.

Finalized budget, tax information, fee schedules, and associated documents are available for download through the city website at [www.lindoncity.org](http://www.lindoncity.org).
