b) **Utility Right of Way Easement Agreement:** This agreement is between
Lindon City and Vineyard Town to exchange a 10,590 sq/ft easement for a
power line for 3-acre feet of water credit with Vineyard. The water is to be
used on the future Geneva Resort Park area next to the Lindon Marina. Water
credit is valued at approximately \$10k. Lindon has no utility services
available in this area and anticipated needing to connect to Vineyard utilities.
This easement transaction came to the Council a couple years ago but had no
compensation proposed, and therefore was not approved at that time. The
exchange for water has been discussed for many months between Staff at the
two cities, with the Vineyard Town Council recently approving this
agreement. The easement area can still be used for landscaping, parking, etc.
but would prohibit buildings or permanent structures. It is located adjacent to
the railroad tracks on the SE corner of the property that is listed for sale and
has been identified on the ALTA survey since the property has been listed.
He noted this has been reviewed by the City Attorney and includes some
minor wording changes and Vineyard is securing the easement on behalf of
Rocky Mtn. Power. Mr. Cowie stated this issue will be brought back to the
Council at the next available meeting.

38 COUNCILMEMBER HOYT MOVED TO CONTINUE CONSENT AGENDA

comment not listed as an agenda item. There were no public comments.

6 **CURRENT BUSINESS**

8 6. **Review & Action — 2018 PARC Tax Mini-Grant Funding Recommendation.**

10 The City Council allocated a portion of 2018 PARC (Parks, Arts, Recreation, and
Culture) tax funds to be set aside for funding of mini-grants for non-profit cultural
12 arts organizations with a heavy presence in Lindon. After advertising the grant
opportunity, the City received three applications. For the 2018 funding cycle it is
14 recommended that the Council approve all three grant application requests in the
total amount of \$13,252.75

16 Heath Bateman, Parks & Recreation Director, was in attendance to address the
Council for this agenda item. Mr. Bateman explained the application deadline for the
18 2018-19 PARC Mini Grants application closed on April 10th. He noted he received three
completed applications for consideration for funding and has reviewed them and all are
20 qualified. He indicated the funds are available and there is a healthy reserve. Mr.
Bateman then referenced the brief description of each request followed by his
22 recommendation for funding as follows:

24 **1. Lindon Chamber Music Society.**

26 The Lindon Chamber Music Society strives to bring quality instrumental and
vocal music into Lindon. They are a qualifying organization as per the PARC Tax
28 Grant Policies. The Chamber Music Society request funding for contracting
professional performers and instructors, marketing and advertising, administrative
salaries and rental space at the community center. The Chamber received funding
30 for the last 4 years. The Chamber currently uses the Lindon Community Center as
a practice and performance venue.

32 They have requested \$7,500 for the following:

- 34 • \$2,000 for Contract Services
- \$500 for Marketing and Advertising
- 36 • \$4,000 for Other Salaries
- \$1,000 for Space Rental (Community Center)
- TOTAL REQUEST \$7,500

38 **Recommend Award \$7,500**

40 **2. Lindon Elementary PTA**

42 The PTA for Lindon Elementary requests funds to purchase musical instruments
the District and School cannot purchase to enhance the music learning program at
44 the school. There is a question about the PTA as a qualifying organization. In
PARC Tax Policies 1.5.3 prohibits the use of funds for Public Schools and /or
school programs. The PTA however is a separate 501c3 organization.

46 They have requested \$2,752.75 for the following:

- 1 Studio 49 Series 1600 BM Base Metallophone for \$1,069

- 2 • 1 Studio 49 Series 1600 AM Alto Metallophone for \$494.00
- 1 Studio 49 Series 1600AX Alto Xylophone for \$574.00
- 4 • 1 Studio 49 Series 1600 SX Soprano Xylophone \$409.00
- 1 Studio 49 Series 1600 Gad Alto Glockenspiel for \$98.00
- 6 ○ Shipping \$108.75
- TOTAL REQUEST \$2,752.75

8 **Recommend Award \$2,752.75**

10 **3. Timpanogos Storytelling Institute.**

12 The Timpanogos Storytelling Institute is dedicated to establishing and embracing
 14 programs, festivals, events, organizations and products that use the power of story
 to strengthen individuals, families and communities. The Timpanogos Storytelling
 16 Institute was funded in 2017/18. The institute would like funding to support a free
 public performance by a national professional storyteller Bill Lepp at the Lindon
 Community Center in January 2019 as well as 2 performance assemblies at local
 18 Lindon Elementary Schools for students. \$500 is requested for Mr. Lepp’s
 traveling fees.

20 They have requested the following:

- 22 • \$1,000 performance fee for Bill Lepp free public performance at the Lindon
 Community center.
- 24 • \$1,500 for Bill to perform at 2 Lindon Elementaries 250 for 25 free tickets for
 Lindon Senior Center Participants to attend the festival.
- \$500 for travel costs.
- 26 ○ TOTAL REQUEST \$3,000

28 **• Recommend Award \$3,000**

PARC Tax budget allocation: \$15,000

30 Total Grants recommended: \$13,252.75

32 Councilmember Hoyt asked if the amount the Lindon Chamber Music Society
 34 requested is more than they have requested in the past. Mr. Bateman confirmed that
 statement noting some of that money is “in kind” to give back to Parks & Rec. as
 revenue. Mr. Bateman stated he recommends approval. Councilmember Lundberg made
 36 mention the Lindon Chamber Music Society brings in many good artists and events to the
 community that are free to the public and the orchestra program draws students from
 38 around the valley. Councilmember Broderick stated he feels these three organizations are
 great with the programs they provide to the community that are free of charge.

40 Mayor Pro tem Lundberg called for any further comments or discussion from the
 Council. Hearing none she called for a motion.

42
 44 COUNCILMEMBER BRODERICK MOVED TO APPROVE THE 2018 PARC
 TAX MINI-GRANT FUNDING APPLICATIONS AS RECOMMENDED.

46 COUNCILMEMBER HOYT SECONDED THE MOTION. THE VOTE WAS
 RECORDED AS FOLLOWS:

2 COUNCILMEMBER LUNDBERG AYE
COUNCILMEMBER BEAN AYE
4 COUNCILMEMBER HOYT AYE
COUNCILMEMBER BRODERICK AYE
6 THE MOTION CARRIED UNANIMOUSLY.

8 7. **Review & Action — Fee Waiver Request; PG-Lindon Chamber of**
Commerce. The City Council will review and consider a request by the Pleasant
10 Grove–Lindon Chamber of Commerce to reduce the fee for a one-time Aquatics
Center group rental from \$1,500 to \$900.

12 Mr. Bateman referenced the associated Fee Waiver/Reduction Request
14 application materials from the PG-Lindon Chamber of Commerce. He explained that
technically the fee waiver/reduction application process has been specific to the
16 Community Center rentals only. However, as the Chamber is a city-sponsored
organization and was seeking relief in partial fees for a Chamber event to be held at the
18 Aquatics Center, the Parks Department felt the waiver/reduction application process was
appropriate for the Council to review and consider this one-time request from the
20 Chamber of Commerce.

22 Josh Walker, Executive Director with the PG/Lindon Chamber of Commerce was
present to address this request. Mr. Walker explained they don't need the flow rider and
they are not asking for concessions; they are trying to minimize the number of needed
24 employees and lessen the impact to the city. He noted they really don't need the whole
night, perhaps just three hours. They are planning this thank you BBQ for Chamber
26 members and families as they are looking for tangible benefits and a lot of businesses are
unaware of the Lindon Aquatics Center.

28 Councilmember Hoyt expressed his concerns about setting a precedent with
reducing the fee waiver. He noted the Council is heavily invested in the future of the
30 Chamber and this may be another way to support them, however it is not something the
Council takes lightly, but it is a good way to support the businesses and the Chamber.

32 Mayor Pro tem Lundberg called for any further comments or discussion from the
Council. Hearing none she called for a motion.

34 COUNCILMEMBER HOYT MOVED TO APPROVE THE APPLICATION TO
36 REDUCE THE AQUATICS CENTER RENTAL FEE FOR THE PG-LINDON
CHAMBER OF COMMERCE. COUNCILMEMBER BRODERICK SECONDED THE
38 MOTION. THE VOTE WAS RECORDED AS FOLLOWS:

COUNCILMEMBER LUNDBERG AYE
40 COUNCILMEMBER BEAN AYE
COUNCILMEMBER HOYT AYE
42 COUNCILMEMBER BRODERICK AYE
THE MOTION CARRIED UNANIMOUSLY.

44
46 8. **Concept Review — Castle Park Offices, 126 S. Main.** Eric Barzeele, Castle
Park, requests feedback regarding proposed offices and shared parking with the
event center. The subject property is in the General Commercial (CG) zone.

2 At this time Councilmember Hoyt recused himself from this item due to a potential
conflict of interest and stepped out of the Council Chambers.

4
6 Hugh Van Wagenen, Planning Director, invited the applicants, Amy and Eric
Barzeele and Ed Axley with Davies Design Build forward. Mr. Van Wagenen explained
8 the site plan application for this type of permitted development is not something that
would normally come to the City Council for review and would typically be reviewed
10 only by the Planning Commission. However, the applicant's desire feedback from both
the Planning Commission and the City Council prior to submitting a formal site plan
development application. He reminded the Council a Concept Review is for providing
12 general feedback only with no motion necessary.

14 Mr. Van Wagenen further explained the applicant is requesting feedback on a
proposed office project that would share parking with the existing events center. The
remaining buildings and residences would be removed. He indicated the applicant may
16 decide to keep additional space around the events center for a garden or grove area. He
noted the property (Castle Park) is currently located in the General Commercial (CG)
18 zone and the General Plan Land Use Map identifies this area as Commercial. He then
presented photos of the site for discussion.

20 Mr. Van Wagenen commented the Planning Commission reviewed this item on
April 10, 2018. He then referenced the discussion and feedback including the following
22 items:

- 24 • Potential for improvements on Main Street
- Potential traffic counts
- 26 • Shared parking and offset hours to avoid congestion
- Potential phasing of the site.

28 He noted the applicant also provided a list of the various businesses they found
currently in office buildings the size they are proposing, of which a commercial realtor
said the list was an accurate representation.

30 *Insurance agents (P), mortgage companies (P), builders (Professional Office (P),*
Building Construction – General Contractor, Office & Storage (N)), accountants (P)
32 *small law offices (P), property managers (P), investment groups/advisors (P)*
mental health (Family & Behavioral Counseling (P)), NGO's (Professional Office (P))
34 *Off-site offices for local/regional businesses such as restaurants/etc. (Professional Office*
(P), Tech company offices (not support or call centers) for phone, satellite, etc.
36 *(Professional Office (P), a few physical therapy and massage places (P), financial &*
processing businesses of various types.

38 Mr. Van Wagenen then explained that any redevelopment of the property will
need to comply with all applicable codes and ordinances (i.e. site plan: landscaping,
40 parking, setbacks, etc.; development manual, access and circulation, public improvements
and engineering, architectural design standards).

42 He then referenced Lindon City Code (parking): 17.18.040 Mixed occupancies
that states the following: in the case of mixed uses in a building or on the lot, the total
44 requirements for off-street parking facilities shall be the sum of the requirements for the
various uses computed separately.

46 Mr. Van Wagenen explained that exceptions to the minimum parking standards
may be granted in order to reward users of mass transit and to allow applicants options to

2 reduce parking spaces in order to save construction costs and reduce land area needed for
parking. Exceptions to the minimum parking standards may be granted upon approval by
4 the Planning Director and City Engineer as follows:

6 1. Shared parking agreements. Joint use of required parking spaces may occur where
two or more uses on the same or separate sites are able to share the same parking
8 spaces because their parking demands occur at different times. The Planning
Director and City Engineer may approve joint use of required nonresidential
10 parking spaces between two lots and/or uses upon a determination that no
substantial conflict in the periods of peak demand would occur from the shared
12 parking allowance. The total number of spaces provided between the uses shall be
at least equal to the sum of the minimum number of spaces required for each use.
14 Applicants requesting the use of shared parking shall submit the following
documentation as part of a building permit, business license, or land use
application:

- 16 a) The names and addresses of the uses and of the owners and tenants that
are sharing the parking;
18 b) A detailed site plan showing the location and number of parking spaces
that are being shared. The shared spaces shall be no more than 350' away
20 from the buildings or uses being served and shall have a safe and
convenient pedestrian connection provided between the shared parking
22 and the building or use. The shared parking allowance and/or pedestrian
connection shall be signed and identified at both the use being served and
24 the shared parking location;
c) An analysis showing that the peak parking times of the uses occur at
26 different times and that the parking area will be large enough for the
anticipated demands of both uses; and
28 d) A legal instrument written to the satisfaction of Lindon City that may
include easements or deed restrictions that guarantee access to the parking
30 for both uses in perpetuity.

32 Mr. Van Wagenen stated the documents must state that new uses that require
more parking spaces, or have similar peak parking times, will not be permitted by Lindon
34 City unless the minimum required parking is constructed to accommodate both the new
use and the existing uses which have claim on the shared parking agreement and said
36 instrument(s) shall be signed by all property owners involved and shall be recorded
against each property at the County Recorder's Office.

38 Mr. Van Wagenen then referenced the Building Elevations and Concept Plan
followed by some general discussion. He then turned the time over to the applicant for
40 comment.

42 Mr. Barzeele explained this small office concept is the one that seems feasible to
make the best use of the land, as they are not fully making it as just a reception center and
44 need an alternative to have both entities succeed. They are partners with this project and
this is an ideal location for this type of development and for these types of businesses in
Lindon. He noted the northern three buildings were added on the site plan, but they will
46 be built on a tiered plan as they lease out. Mr. Axley said the plan is for business space
and not retail as it is not located right on state street. He noted they also did some

2 research this past year with realtors as to what the best use would be for this property.
The heights of the buildings will not exceed 25 ft. including the parapet so they will be
4 lower than the surrounding properties. They feel this will be a great project and will be
within the current zoning. Mr. Axley stated this will create a gravitational pull to the area.
6 They want to have a good project that Lindon and the neighbors can feel good about.
They will also create a buffer between the commercial and residential.

8 Councilmember Bean commented that overall the Planning Commission was
positive and open about this concept.

10 Mr. Barzeele stated they went through a lot with the original approval years ago.
He expressed that they complied with all issues; he is hopeful it won't take as long with
12 this concept. He understands there are regulations and they will comply with all requests.
Mr. Van Wagenen stated it will be reviewed when it comes in as an official submittal;
14 when requesting an exception is when it has to go through the channels so the process
goes smoothly. He reminded the Council site plans are reviewed by the Planning
16 Commission and do not come before the City Council.

18 Mayor Pro tem Lundberg commented staff will work with them on the architectural
guidelines and all requirements. Mr. Van Wagenen commented it will be a nice injection
into the area. Mayor Pro tem Lundberg called for any further comments or discussion
20 from the Council. Hearing none she moved on to the next agenda item.

- 22 9. **Public Hearing — Ordinance Amendment, Lindon City Standard Land Use**
Table. Lindon City requests approval of Ordinance #2018-6-O containing an
24 amendment to the Lindon City Standard Land Use Table to allow vehicle services
centers in conjunction with new vehicle dealerships. The Planning Commission
26 recommends approval.

28 *Councilmember Hoyt rejoined the meeting at 7:57 pm.*

30 COUNCILMEMBER BEAN MOVED TO OPEN THE PUBLIC HEARING.
COUNCILMEMBER BRODERICK SECONDED THE MOTION. ALL PRESENT
32 VOTED IN FAVOR. THE MOTION CARRIED.

34 Mr. Van Wagenen gave a brief background of this item noting this is a request by
staff. He explained the Mercedes-Benz of Lindon recently vacated their business in
36 Lindon in the PC 1 zone to relocate to Draper. He noted the Murdock Hyundai group is in
the process of purchasing the Mercedes-Benz lot from the Larry H. Miller Group, which
38 would allow for an expansion of the Murdock campus (currently in the PC 2 zone). As
part of the expansion, Murdock plans to use the Mercedes-Benz building to expand its
40 vehicle service center. He noted vehicle service centers perform services such as oil
changes, tire rotations, emissions checks, tune-ups, etc.

42 Mr. Van Wagenen pointed out although it is common practice to have a service
center as part of a new vehicle dealership, in the PC 1 and PC 2 zones, stand-alone Auto
44 Lube & Tune-up and General Auto/Vehicle Repair shops are not permitted. He indicated
to ensure there are no issues with Murdock utilizing the former Mercedes-Benz building
46 as a service center, staff is requesting this change on the Standard Land Use Table.

2 Mr. Van Wagenen noted this code change will not substantially change the
4 current practice at new dealerships, but rather clarify that service centers are permitted
6 with new dealerships even if stand-alone service centers are not permitted in the same
8 zone. He then referenced ordinance #2018-6-O and the PC 1 and PC 2 Zoning Maps
followed by some general discussion. Following discussion, the Council was in
agreement that Murdock Hyundai has been a great business partner with the City and this
will be a good use of the vacated building.

Mayor Pro tem Lundberg called for any public comments. Hearing none she called
for a motion to close the public hearing.

COUNCILMEMBER BRODERICK MOVED TO CLOSE THE PUBLIC
HEARING. COUNCILMEMBER HOYT SECONDED THE MOTION. ALL
PRESENT VOTED IN FAVOR. THE MOTION CARRIED.

Mayor Pro tem Lundberg called for any further comments or discussion from the
Council. Hearing none she called for a motion.
