WINTER PARKING REMINDER
Just a reminder that vehicles can't park on the roadway in Lindon from 4 am to 4 pm between November 1st and March 15th to facilitate snow removal. Please make life easier for our great Snowplow drivers as they work to keep the roads safe for all of us! Also please remember to look out for your neighbors who may need help with snow removal from their driveways and sidewalks!

HAPPY NEW YEAR - 2017

The holidays are a time for each of us to gather as friends, families and neighbors to reflect upon what we can be thankful for. And like many people I look at January as a time of renewal, a time to evaluate the past year and to look ahead. Some of us use this annual “fresh start” as an opportunity to make resolutions on ways to improve our health, our relationships, and other areas of our lives. But before we find ourselves feeling guilty for eating that donut for breakfast instead of a protein shake, here’s 3 simple and easy things you can do for yourself and your community that can provide a satisfying “check” off that New Year’s list.

1. Make sure you are signed up with the Lindon City alert communication system called “Everbridge”. The recent Boil Order event over the holiday reminds us of the importance to receive critical information and this is what Everbridge is designed to do. This alert system can deliver messages to you any way you want—on your home phone, cell phone, email, and more so the City may reach you in any emergency (or sometimes non-emergency situations) to let you know about important City-related events. To learn more and sign up, go to;

<http://www.lindoncity.org/everbridge-emergency-notification.htm>

2. Are you recycling yet? Did you know that blue can is able take up to 70% of your garbage and you don’t even have to wash items or sort them! It’s easy and only \$3.25 per month, which is cheaper than a regular 2nd black trash can. It can save money for you, the cost and sourcing of raw materials for future manufacturing, and helps eliminate waste from taking space at the landfill.

To order a Blue Recycle Can, contact Sherrie at the Lindon City Center at 801-785-5043. Or to learn more go to; <http://www.lindoncity.org/utilities-clerk.htm>

3. Volunteer even if it’s one time, or a regular activity. You’ll meet new people and feel great! Anything at all - even something small. There are so many opportunities all around us – from the local schools, to the Lindon senior center, helping with Lindon Days events, adopting a park or trail, or serving on one of our many city volunteer committees. Perhaps coaching one of our city sports leagues? Trust me, you don’t have to be an expert, just a willingness to get involved! Go to our new re-designed City website to find the contact info for the departments you are interested in serving, or call the general line at 801-785-5043.

I am thankful to live with such caring and good people here in Lindon. You truly make it great and as we look forward to a wonderful and blessed 2017 may we all strive to be good neighbors and continue making Lindon a wonderful community.

Employee Recognition

Lindon City is pleased to recognize **Chad Hendrickson**, Waste Water Technician, for his outstanding employee efforts with our Employee Recognition Award for this quarter. Congratulations and thanks for always doing a great job for the city Chad! Keep up the good work!

Lindon City wants to thank **PROFIRE ENERGY** located in Lindon, for donating and supporting Lindon City’s Employee Recognition Program.

CHRISTMAS TREE PICKUP

Republic Services will be providing Lindon City’s Christmas tree pickup from January 30th to February 3rd. Trees must be placed curbside no later than 7 a.m. beginning January 30th to ensure prompt pickup (live trees only, undecorated and no flocked trees please). Service is limited to one tree per household. Thanks for your cooperation in advance!

LINDON MONTHLY RECYCLE FACTS

January 2017

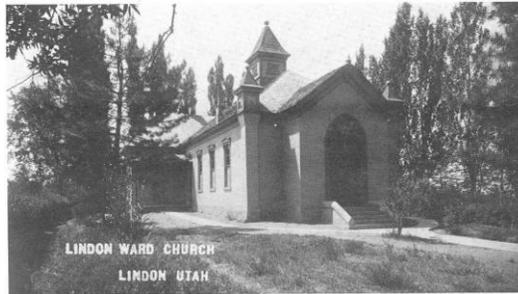

Make Commingled Recycling a New Year’s Resolution!

It's a new year, and there is a new way to think about your trash...**Recycle it!** Lindon City curbside recycling is an easy and convenient way to make a difference and save some cash. Go green to save some green! Recycling containers cost **\$3.25 month**. They're cheaper than having a second garbage container and 70% of what you would throw out is actually recyclable.

If you are interested in ordering a recycling can please contact the Lindon City Utilities Clerk at 801-785-5043 or by email at slaidler@lindoncity.org.

You've helped save lives with your previous blood donations, and we need your help again! As you are probably aware, we have a dramatic need for blood in the summer months. Only dedicated volunteer blood donor like you can help ensure that hospitals have an adequate blood supply on hand to help save the lives of critically ill and injured patients. A patient somewhere needs your blood type. Please make and keep a blood donation appointment in the coming days! To schedule your appointment call 1-800-RED CROSS or [click here](#).

HOW I CAME TO LINDON.....

In 1976, Connie and I were taking a drive. I don't know where we were headed, but we were driving through Lindon. We were on the side roads and enjoying the beautiful open fields. Oh, and the view of Timpanogos was amazing. As we began to drive through the Hollow, we saw a for sale sign on the west side of the road. What a wonderful piece of property. Connie said, "I would love to live there." That's how it began. We were right next to Ernie's hill and the Hollow stream ran from the springs down to the Rodeo grounds. And, oh the stories we could tell!

When we built here, there were fewer homes, only two LDS wards (one east of State St. and one west of State St.), but great people. The outdoors was and is everywhere. Even with the growth of the city, the citizens are good people that care for each other. Thanks to all of you. And thanks to our city leaders and employees, who maintain that same beautiful and peaceful environment of "a little bit of country."
