## THE MIRACLE OF AMERICAN FREEDOM

July is a special month where typically we have many opportunities to express our feelings of patriotism and American Pride. But this year will be different as our cherished and traditional community events that many of us rely on have been canceled because of Covid-19.

Our ability to come and go as we please and to associate with each other in normal fashion has been abruptly interfered with. Currently, it can feel like our freedoms are being eroded and this is something we should reflect on.

Over the course of human existence freedom has been a rare experience - so rare that it could easily be called a miracle. Our Founding Fathers understood this and included these words in the Preamble, setting the stage for our Constitution, "We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, which among these are Life, Liberty and the pursuit of Happiness. That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed."

Throughout human history, brave, daring and courageous individuals have contributed critical elements that led to the freedoms we are blessed with today as citizens of the United States of America. These God given freedoms are protected by our divinely inspired Bill of Rights that empower us with the right to speak, think or act as we wish without hindrance. But freedom can be fleeting.

President Ronald Reagan said, "Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same."

With our world moving at a different pace, it's the perfect time to stop and make a conscious effort to claim the blessings and advantages that our American Freedom offers us.

Will you fight for freedom? Will you protect freedom? Are you willing to help others understand the importance of preserving freedom so that freedom can ring on far into the future?

We may not be attending grand parades and such in 2020, but this could be the year that we have a clearer vision of what a miracle our freedom truly is!

# Bank of Utah & Movies in the Park

Bank of Utah and Lindon Parks & Recreation are excited to bring you the 2020 season of Movies in the Park. We have some great titles lined up for the summer. All movie showings are **FREE** and will begin at dusk. Come have a great time with your family, friends and our great community! Huge shout out to **Bank of Utah** for sponsoring this community event!

## 2020 FIREWORKS RESTRICTIONS

Because of a result of extreme fire danger along our mountain interface and our west wetland area, Lindon City has a permanent fireworks and open fire restriction in place. These areas include all

land west of Interstate 15 within the Lindon City limits, including the Lindon Marina. This also includes all “Undeveloped Land” within the City Limits as well as all City Parks. Restriction warning signs will be posted near the border of restricted areas. Please help us all to be safe and to protect our beautiful natural environment and watershed. Please reference the maps below for exact boundaries. Fireworks are not allowed in all Lindon City Parks (signs will be posted)!

## SEWER LATERAL CONNECTION

The pipe that carries residential sewage waste from your home to the City’s sewer main pipeline in the street is called a residential sewer lateral. Sewer backups are an unfortunate, but common problem in residential sewer laterals due to lack of homeowner maintenance or misuse by allowing the wrong items to enter the sewer lateral. Lindon City makes every effort to prevent sewer back-ups in the main pipelines owned by the City by scheduling regular pipe cleaning and maintenance through the system. Maintenance and repair of a resident sewer are the home-owner’s responsibility. The illustration above shows a general illustration of the residential sewer lateral and its connection to the City’s mainline.

The property owner is responsible for the lateral pipe connection that runs from the property to the public sewer main. For more information contact the Lindon City Public Works Department at (801) 795-7954 or the Wastewater Superintendent at [kmuhlestein@lindoncity.org](mailto:kmuhlestein@lindoncity.org)

## PREVENT SEWER LATERAL DAMAGE

- AVOID PUTTING GREASE DOWN YOUR GARBAGE DISPOSAL
- NEVER FLUSH DIAPERS, WIPES (EVEN FLUSHABLE WIPES) OR PAPER TOWELS DOWN YOUR TOILET
- PLANT LARGE BUSHES AND TREES AWAY FROM THE SEWER LATERAL
- IN THE BASEMENT, INSTALL A BACK-FLOW VALVE ON THE LOWEST DRAIN

## NEW PUBLIC WORKS DIRECTOR

We are proud to introduce Juan Garrido, Lindon City's new Public Works Director. Juan rose to the top and was chosen from a large field of qualified applicants for this position. Prior to coming to Lindon, Juan was with Springville City for many years. He comes highly recommended and we feel very fortunate to have him on our team and we know he will do a great job leading our Public Works Department. If you are out and about please welcome Juan to our wonderful city!

## Public Works Pointers

Please remember as you are doing landscaping projects this summer to not pile anything in the streets such as soil, compost and tree

limbs, etc. as these items can obstruct the storm drains. Not only can obstructions cause flooding, contaminants can get into our storm water system and harm aquatic life. If you schedule a delivery of soil or bark etc., please have these delivered onto your property, not in the street or gutter.

While mowing and fertilizing lawns, please make sure that everything gets swept or blown back onto your lawn where it can be beneficial and not pollute the waterway. Our stormwater goes directly to Utah Lake and does not go through any treatment process; therefore, we need to be conscious of what goes into the storm drains.

Also, in an effort to keep gutters clean, please make sure trees are trimmed to 12 feet above the sidewalk to allow the street sweeper the clearance need to clean the gutters.

Thank you so much for your cooperation to help keep our waterways clean for all aquatic life as well as current and future recreational uses. Regarding any questions, please call Public Works 801-796-7954.

## Parks & Rec Summer Programs!

Register for our upcoming camps at [www.lindonrecreation.org](http://www.lindonrecreation.org)

### UTAH ELITE SOCCER CAMPS

Have your athlete trained by college soccer players this summer! Whether your child is just starting out, or looking to improve on existing skills, Utah Elite Soccer will help your child achieve their goals

while having a blast, making friends, and learning life lessons.

Camp Dates: July 6-10

Ages 4-5: 8:00-8:45 AM, \$35

Ages 6-7: 9:00-10:00 AM, \$40

Ages 8-9: 10:00-11:45 AM, \$45

Ages 10-12: 12:00-1:30 PM, \$50

### SNAPOLOGY/POKEMANIA (Ages 6-12, 9AM-12PM)

In Snapology's Pokémania program, students will explore the Pokémon world and practice their Pokémon training skills! They will create their own training gyms, unique battles, and even their very own

generation of Pokémon. Your student will also explore some real-world science as they examine the habitats, characteristics, and needs of different Pokémon. They will do more than catch 'em all, they will build and examine them all very closely and have a blast!

## AMUSEMENT PARK ADVENTURES

(Ages 7-14, 1-4 PM)

We're sure your child loves going to amusement parks to experience the variety of fast, dropping, and spinning rides, but have they ever thought about the science that goes into building those rides and the people who

are responsible for designing them? In Snapology's Amusement Park Engineering class, students will become engineers of their own amusement park rides and will learn the core physics and engineering concepts used to make a ride thrilling!

### SESSION INFORMATION

DATES: Mondays-Friday July 13-17

### PET OF THE MONTH

The North Utah Valley Animal Shelter has many fantastic animals waiting for loving homes. One such animal is this female Coonhound named "Oakley". Oakley is about 6 years old. She has been up for adoption since June 24<sup>th</sup>.

Oakley is playful and friendly. She loves squeaky toys! She gets super excited to play and get attention. Oakley is animated and energetic. She is very smart and knows how to sit, stay, lay down and shake. Most likely she is already house trained but will probably need a few reminders. She loves to go outside and sniff around. Her adoption fee is \$157. All dog adoptions include Rabies Vaccine, 1st set of DHPPC Vaccines, Spay/Neuter voucher (for unaltered dogs), and Dog License. For more information about Oakley, or any of our other outstanding pets, contact us at (801) 785-3442 or [Click here](#) to visit our website. We are located at 193 N 2000 West in Lindon, UT.

**July: Styrofoam has a recycle symbol on it.**

## LINDON MONTHLY RECYCLE FACTS

### Why can't I recycle it?

Have you ever wondered why Styrofoam is on the "Do Not Recycle" list when it comes to comingled recycling? There is a lot of Styrofoam out there after all, and it even has a recycle symbol on the bottom! It takes specialized machinery to heat

Styrofoam enough to break it down into a reusable form. It would have to be shipped several states away in order to

process it. This is believed to do more harm to the environment than good. Make sure to throw away Styrofoam material and use alternative material when possible!

*If you are interested in ordering a recycling can please contact the Lindon City Utilities Clerk at 801-785-5043 or by email at [slaidler@lindoncity.org](mailto:slaidler@lindoncity.org). Call to sign up today!*

Utah's most unique custom homes will open their doors for this self-guided tour from July 23<sup>rd</sup> through August 8<sup>th</sup> 2020. Homes open Tuesday - Saturday from noon to 9:00 pm daily, closed Sundays and

Mondays. Join the thousands and tour homes of all different designs, styles and price ranges at this year's 2020 Utah Valley Parade of Homes. [Click here](#) for more information or to purchase tickets.

## UNITED WAY 211

For many years now, United Way 211 has strived to share accurate information about resources available to individuals and families in their local communities. Since the beginning of COVID-19 the number of phone calls, visits to our website, and searches on our app have gone up dramatically.

*With 211 Utah, help is just one call, text, or chat away. 211 is a free and confidential number who can connect you to a variety of local resources such as rent payment assistance, help paying your utilities, finding food, and more. Call 2-1-1, download the 211 Utah app, or begin your search here:*

You've helped save lives with your previous blood donations, and we need your help again! As you are probably aware, especially in our current situation with Covid-19 we have a dramatic need for blood. Only dedicated volunteer blood donor like you can help ensure that hospitals have an adequate blood supply on hand to help save the lives of critically ill and injured patients. A patient somewhere needs your blood type. Please make and keep a blood donation appointment in the coming days! To schedule your appointment call **1-800-RED CROSS** or visit [redcrossblood.org/home](http://redcrossblood.org/home).

## HISTORICAL PRESERVATION COMMISSION PICKS THREE "YARDS OF THE MONTH"

The Lindon City Historical Preservation Commission, headed by Lyle Lamoreaux, has chosen three homes to be highlighted monthly because of their work and efforts to make their yards and gardens beautiful. Three homes will be chosen for the next several months as weather permits (July highlighted in this issue). These homes are from three neighborhoods, The Foothill neighborhood, the Central neighborhood and the West neighborhood. By dividing the city into three neighborhoods we are able to highlight and honor more people each year. If you know of a neighbor or resident you feel has a home you would like to see nominated please email

[llamoreaux@lindoncity.org](mailto:llamoreaux@lindoncity.org)

**The following three households were chosen for the month of July:**

**The Foothill Neighborhood:**

Jed and Janilyn Anderson  
1031 East 100 North

**The Central Neighborhood:**

Craig and Jana Manscill  
51 North 850 East

**The West Neighborhood:**

Bryce and Kathy Moosman  
432 West 100 South

*Congratulations to all for your great efforts in helping to beautify our wonderful community!*
