NOTICE OF INTENT TO PREPARE COMPREHENSIVE GENERAL PLAN AMENDMENTS

In accordance with Utah State Law, notice is hereby given that Lindon City intends to prepare a comprehensive general plan amendment during the 2017 calendar year. Any such amendments may have City-wide impact to the General Plan elements of Land Use, Moderate Income Housing Plan, Public Facilities, Parks and Trails, Environmental Planning, and Streets and Transportation.

Affected entities are invited to provide information to Lindon City concerning (1) impacts that the use of land proposed in the amendments may have and (2) current or proposed uses of land conducted by an affected entity within Lindon City that may conflict with any proposed amendments.

The public and affected entities will have several opportunities to comment during the process of preparing, adopting and implementing any proposed General Plan amendments. Interested parties are encouraged to subscribe to future public hearing/meeting notices via the State Public Notice website (<https://www.utah.gov/pmnl/index.html>).
