## 2017 Drill Down for Safety

Each September we come together as a community to practice our emergency response skills. This event is scheduled each year to occur near the anniversary of the terror events of 9/11 with the intent of raising awareness and agency ability in the areas of emergency management and emergency preparedness.

This year's drill has been in planning since the post-operation debrief of last year. Lindon enjoys a dedicated team of Volunteer Drill Coordinators who have spent hours preparing and training for this event. With this being my first year at the Lindon PD, I am particularly grateful for their dedication and patience as I learn my role and responsibilities for this drill and potential future events.

This year we will be conducting the drill right on the anniversary of 9/11 at 6pm. At that time we ask for everyone in the City to respond to their Block Captains home. If you will be out of town or cannot attend that evening, please let a trusted neighbor know in advance so they can report that your family is away and accounted for. In an actual event, that little notification may save hours of unnecessary resources spent searching to determine your condition. For most of you that is the only request.

Block Captains, Neighborhood Coordinators and Area Coordination Teams will then work with City Emergency Managers to develop and improve upon communication channels to the City Emergency Operations Center and then practice sending resources, personnel, supplies and information back into the areas of the City that are in need. Our goal is to work through problems and make our mistakes as we practice the drill and not in an actual future emergency.

In addition to the city-wide drill, there will be drills conducted at each school and care facility in Lindon. We also ask those that work in Lindon to have a business drill, with an actual evacuation drill and discussions regarding the various disasters or threats that could affect their businesses and employees.

Lindon City will continue to lead in the effort of personal preparedness, and as a city we are dedicated to promoting safety and emergency preparedness efforts among its residents. Our efforts as a community are getting attention as each year more and more surrounding cities come to observe us and have us help them to develop their own preparedness programs. Please participate in the drill and make this a fun event with neighbors and friends as you practice together and become prepared for potential events in the future. Let's look out for one another! The annual Lindon Days celebration for 2017 was a great success! A **HUGE** thank you to the Lindon Days Sponsors, Elected Officials, City Staff and great

Lindon residents who stepped up to make the Lindon Days Celebration such a successful and fun tradition! Lindon Days would not be possible without you! Congratulations and thank you to the **2017 Lindon Days Grand Marshals, Scott and Brenda Cullimore!** Your years of service to the community are greatly appreciated!

## Coed Indoor Soccer

Lindon Indoor Soccer league focuses on passing, trapping, defending, shooting and sportsmanship! 15 minute team practices will be held prior to 30 minute games. Leagues will begin the last week of November and will carry through the second week of January. There will be one practice game and 5 season games. No games will be played the week of Christmas. Please do note that we **WILL** play games on 12/20, 12/21 and 1/2.

Games will be held at the Lindon Community Center (25 N Main Street) at 4:30 p.m., 5:30 p.m., & 6:30 p.m. Games for 4-5 year olds will be held on Tuesdays, 6-7 year olds on Wednesday, and 8-9 year olds on Thursdays. This league has limited space and fills up fast. Team jersey is provided. Tennis shoes/indoor soccer shoes and shin guards are required.

**Fee:** \$35 **Registration:** September 11- October 23rd  
(\$5 late fee 10/24-10/30, space permitting)

Coaches meeting TBA. Volunteer coaches will receive a \$10 off any Lindon sport coupon at the end of the season. Without our volunteers our leagues would not be possible.

### Future Land Use Survey Feedback Opportunity

How will the City look tomorrow? Lindon City has a 'General Plan' document that consists of goals, policies, and maps intended to help guide the future development of the city for the next 20 to 50 years. The document is periodically

updated to ensure adequate planning for the future. Clicking the link below and completing the survey is an opportunity for you to participate in the future vision of our community. [Click here](#) to take the survey. It should take about 15 minutes to complete. Thank you!

## Pet of the Month

The North Utah Valley Animal Shelter has many fantastic animals waiting for loving homes. One such is this darling tan Chihuahua, neutered male dog named Little Dude. Little Dude is about 8 years of age and is considered a small dog.

Little Dude has been up for adoption since 8/11/2017. He is house trained and knows the command sit, stay, and treat. He has been around the neighborhood dogs and gets along well with them. He would do best in a place with no children. His adoption price is \$52.00. For more information on Little Dude, or any of our other outstanding pets, contact us at (801) 785-3442 or [Click here](#) to visit our website. We are located at 193 N 2000 W in Lindon, UT.

*\*Please note: Candidate names are listed per the 2012-2013 Master Ballot Position List (Utah State Code 20A-6-305).*

Please note that Lindon City is coordinating with Utah County to administer an all vote by mail election. Any election questions call the Utah County Elections Division office at 801-851-8109 ex #5 or contact the Lindon City Recorder at [kmoosman@lindoncity.org](mailto:kmoosman@lindoncity.org).

## Public Works Pointers

Just a reminder that Lindon has daytime watering restrictions to conserve our water resources. City policy is that outside watering is prohibited between hours of 10 am and 6 pm. First-time violators of this policy will receive a door hanger with a reminder of restrictions. Repeated violations may result in your irrigation water being turned off. Also, please

be vigilant for cross-connections, such connections between the culinary and irrigation systems have the potential to contaminate the city’s water supply. Thank you for observing these watering hours, and remember to turn off your sprinklers if it’s raining! Also,

in order to prevent flooding, please make sure that our storm drains are kept free from debris. For any questions regarding possible cross-connections please contact our public works department at 801-796-7954. [2016 Drinking Water Quality Report](#)

**HISTORICAL COMMISSION PICKS THREE "YARDS OF THE MONTH"**

The Lindon City Historical Commission, headed by Lyle Lamoreaux, has chosen three homes to be highlighted monthly because of their work and efforts to make their yards and gardens beautiful. Three homes will be chosen for the next several months as weather permits (June and July highlighted in this issue). These homes are from three neighborhoods, The Foothill neighborhood, the Central neighborhood and the West neighborhood. By dividing the city into three neighborhoods we are able to highlight and honor more people each year. If you know of a neighbor or resident you feel has a home you would like to see nominated please email [llamoreau@lindoncity.org](mailto:llamoreau@lindoncity.org)

**The following three households were chosen for the month of August:**

The Foothill Neighborhood:  
**Johnny and Diane McCoy**  
230 North 550 East

The Central Neighborhood:  
**Evan and Cheryl Nixon**  
230 North 550 East

The West Neighborhood:  
**John and Linda Fossum**  
181 North 980 East

*Congratulations to all for your great efforts in helping to beautify our wonderful community!*

**Lindon Monthly Recycling Facts**

**September: Recycling Do's and Do Not's! What goes in that can?**

Recycling can be confusing. Keep this list of what "can" and "cannot" be recycled in your commingled container handy. For additional information don't forget to visit the city website!

- **Do Recycle:**
  - Corrugated cardboard
  - Paperboard: food boxes, paper towel rolls, etc.

- Paper: magazines, junk mail, office paper, phonebooks, newspaper, paper grocery bags, etc.
- Aluminum and steel food containers
- Plastics: milk and juice jugs, shampoo bottles, detergent bottles, etc.
- **Please do not use your Commingled Bin for these Items:**
  - Glass
  - Styrofoam
  - Food waste
  - Green waste

#### **HELPFUL RECYCLING TIPS**

- Food containers do not need to be washed thoroughly or even rinsed out. As long as food containers are scrapped clean they can be placed in your recycling bin.
- Plastic grocery bags are recyclable but are best left out of your recycling container. These light plastic bags are difficult to run through the sorting machinery at the recycling facility. Most major grocery stores (such as Smith's and Wal-Mart) provide a drop off site for used grocery bags. Please recycle your grocery bags this way.
- The garbage and recycling truck looks the same—are my materials actually being recycled? Absolutely! On occasion, a driver may service a garbage route, empty his truck, and then service recycling containers. The same truck can service both types of cans (garbage and recycling) in the same day. The loads are never mixed, however, if you do see a driver dump a garbage can and a recycling container back to back, this is likely due to contamination in the recycle container. Please remember to follow the guidelines above.
- To make sure you have enough room for recyclables in your cart, remember to break down all larger items such as boxes and even milk jugs. Taking the extra time to break down your boxes will give you added space in your container.

If you are interested in ordering a recycling can please contact the Lindon City Utilities Clerk at 801-785-5043 or email at [slaidler@lindoncity.org](mailto:slaidler@lindoncity.org).
