2019 Drill Down for Safety

As in previous years, we come together as a community to practice our emergency response skills in the month of September. This event is scheduled each year to occur near the anniversary of the terror events of 9/11 with the intent of raising awareness and agency ability in the areas of emergency management and emergency preparedness.

This year's drill has been in planning since the post-operation debrief of last year. Lindon enjoys a dedicated team of Drill Coordinators who have spent hours preparing and training for this event. This year we will be conducting the drill on September 16th at 6pm. At that time, we ask for everyone in the City to respond to their Block Captain's home. If you will be out of town or cannot attend that evening, please let a trusted neighbor know in advance so they can report that your family is away and accounted for. In an actual event, that little notification may save hours of unnecessary resources spent searching to determine your condition. For most of you that is the only request.

Block Captains, Neighborhood Coordinators and Area Coordination Teams will then work with City Emergency Managers to develop and improve upon communication channels to the City Emergency Operations Center and then practice sending resources, personnel, supplies and information back into the areas of the City that are in need. Our goal is to work through problems and make our mistakes as we practice the drill and not in an actual future emergency.

In addition to the city-wide drill, there will be drills conducted at each school and care facility in Lindon. We also ask those that work in Lindon to have a business drill, with an actual evacuation drill and discussions regarding the various disasters or threats that could affect their businesses and employees.

Lindon City will continue to lead in the effort of personal preparedness, and as a city we are dedicated to promoting safety and emergency preparedness efforts among its residents. Our efforts as a community are getting attention as each year more and more surrounding cities come to observe us and have us help them to develop their own preparedness programs. Please participate in the drill and make this a fun event with neighbors and friends as you practice together and become prepared for potential events in the future. Let's look out for one another! [Click here](#) for the Drill Down for Safety Website for more information.

Josh Adams, Chief of Police

LINDON DAYS

The annual Lindon Days celebration for 2019 was a great success! A **HUGE** thank you to the Lindon Days Sponsors, Elected Officials, City Staff and great Lindon residents who stepped up to make the Lindon Days Celebration such a successful and fun tradition! Lindon Days would not be possible without you! Congratulations and thank you to the **2019 Lindon Days Grand Marshals, Gary and Colleen Worthington!** Your years of service to the community are greatly appreciated!

LINDON CITY DRILL

Emergency Drill

It's that time of year again, when we get together as a community and practice our emergency response skills. The 2019 annual Lindon City Drill Down for Safety will take place on **Monday, September 16, 2019** at 6 PM. Make sure to check in with your Block Captain at 6PM (listen for the sound of honking horns and sirens)! Please participate in the drill and make this a fun event with neighbors and friends as you practice together and become prepared for potential events in the future. Let's look out for one another! Enjoy a few minutes with your neighbors! In a large-scale disaster, they'll be the first to lend you aid. For 10 years, we have consistently had great community participation (87-89%) in our annual Lindon City Drill. This year we aim to raise that number to at least 90% participation from all Lindon residents. We hope you'll join us! [Click here](#) for more information.

MEET THE CANDIDATES YOUR VOTE COUNTS

"Meet the Candidates Night" for the upcoming General Election will be held on **Thursday, September 19, 2019 at 7:00 p.m.** at the City Center Building Council

Chambers, located at 100 North State Street, Lindon. Five (5) candidates have declared candidacy for the three (3) open four-year term City Council seats as follows:

Deny Farnworth **Carolyn Lundberg**
Mike Vanchiere **Desiree Green**
Randi Powell

Come out to meet the candidates and ask them your questions about the issues facing your community! Hope to see you all there! **General Election Day is November 5, 2019.**

Please Note: Candidate names are listed per the 2018-2019 Master Ballot Position List (Utah State Code 20-6-305).

“The Richest Man in Babylon”

The Richest Man in Babylon is a 1926 book by George S. Clason that dispenses financial advice through a collection of parables set 8,000 years ago in ancient Babylon. The book

remains in print almost a century after the parables were originally published, and is regarded as a classic of personal financial advice.

Time: 12:45

When: Thursday October 24th

Where: Lindon Community Center

Cost: FREE

Senior Monthly Outing!

When: Friday September 6th

Time: 12:30 -3:00

Where: Meet at the Lindon Community Center (25 N. Main)

Cost: \$5.00

The Timpanogos Storytelling Festival is one of the nation’s premier storytelling events! Attendees from around the world come to hear stories from unforgettable performers in an enchanted setting—the Ashton Gardens at Thanksgiving Point. Please sign up by coming in or calling 801-769-8625.

Back to School Safety Reminder!

The Lindon City Police Department is excited for the new school year and would like to remind residents to keep in mind the crosswalks and school zones in the city as

they go about their day to day activities. Remember to slow down

and keep in mind the fluctuating schedules, and as always, if parents have any questions they can be directed to the school district.

Pet of the Month

The North Utah Valley Animal Shelter has many fantastic animals waiting for loving homes. One such is

this darling male rabbit named Radish. Radish is around 3 months old. Radish has been up for adoption since 8/21/2019. He is a pretty calm little rabbit and seems well-socialized, but could use more human interaction. He is an adorable little

guy. His adoption price is \$5.00. For more information on Radish, or any of our other outstanding pets, contact us at (801) 785-3442 or [Click here](#) to visit our website. We are located at 193 N 2000 W.

Public Works Pointers

Street Cleaning Reminder:

Please prune back limbs that are growing over the sidewalks and streets. Our street sweepers need a 13-foot overhead clearance to properly sweep. Please help us be able to clean your street by making sure that tree limbs and shrubbery are not encroaching into the sidewalk and street easements. Thanks in advance for your cooperation!

Helpful Tips to Keep Your Plumbing System Running Smoothly

“Avoid the FOG”

FOG is Fat, Oil and Grease. It comes from food preparation and from food products, such as:

Meat Fats – Cooking Oil – Shortening – Butter/Margarine
Food Scraps – Baked Goods – Sauces – Dairy Products

What does FOG do? When FOG gets into the sewer lines it can cause blockages and backups. This can cause damage to homes and businesses, as well as create a public health problem.

How to Prevent FOG Buildup

- **DO NOT** dump fats, oil and grease down the sink or floor drain or into toilets.
- **DO NOT** rinse dishes in hot water (more than 140 degrees) this may ‘melt’ grease, but it will reform later as it cools in the sewer main or your lateral connection.
- **DO NOT** put FOG sources down the garbage disposal.
- **DO NOT** use additives that degrease, many of these temporarily break up FOG, but it can reform in the sewer main.

- **DO** collect FOG in containers and dispose of in the trash.
- **DO** scrape all food and FOG from plates, pots and pans prior to washing and dispose of in trash.

Don't Let This....

Become This!

HISTORICAL COMMISSION PICKS THREE "YARDS OF THE MONTH"

The Lindon City Historical Commission, headed by Lyle Lamoreaux, has chosen three homes to be highlighted monthly because of their work and efforts to make their yards and gardens beautiful. Three homes will be chosen for the next several months as weather permits (September highlighted in this issue). These homes are from three neighborhoods, The Foothill Neighborhood, the Central Neighborhood and the West Neighborhood. By dividing the city into three neighborhoods we are able to highlight and honor more people each year. If you know of a neighbor or resident you feel has a home you would like to see nominated please email llamoreau@lindoncity.org

The following three households were chosen for the month of September:

The Foothill Neighborhood:
Julie Allan
 196 N 1165 E

The Central Neighborhood:
Eric and Sandra Muir
 22 N 850 E

The West Neighborhood:
Jody and Teresa McClellan
 436 W 200 S

Congratulations to all for your great efforts in helping to beautify our wonderful community!

Lindon Monthly Recycling Facts

September: Recycling Do's and Do Not's! What goes in that can?

Recycling can be confusing. Keep this list of what “can” and “cannot” be recycled in your commingled container handy. For additional information don't forget to visit the city website!

- **Do Recycle:**
 - Corrugated cardboard
 - Paperboard: food boxes, paper towel rolls, etc.
 - Paper: magazines, junk mail, office paper, phonebooks, newspaper, paper grocery bags, etc.
 - Aluminum and steel food containers
 - Plastics: milk and juice jugs, shampoo bottles, detergent bottles, etc.
- **Please do not use your Commingled Bin for these Items:**
 - Glass
 - Styrofoam
 - Food waste
 - Green waste

HELPFUL RECYCLING TIPS

- Food containers do not need to be washed thoroughly or even rinsed out. As long as food containers are scraped and clean they can be placed in your recycling bin.
- Plastic grocery bags are recyclable but are best left out of your recycling container. These light plastic bags are difficult to run through the sorting machinery at the recycling facility. Most major grocery stores (such as Smith's and Wal-Mart) provide a drop off site for used grocery bags. Please recycle your grocery bags this way.
- The garbage and recycling trucks look the same—are my materials actually being recycled? Absolutely! On occasion, a driver may service a garbage route, empty his truck, and then service recycling containers. The same truck can service both types of cans (garbage and recycling) in the same day. The loads are never mixed, however, if you do see a driver dump a garbage can and a recycling container back to back, this is likely due to contamination in the recycle container. Please remember to follow the guidelines above.
- To make sure you have enough room for recyclables in your cart, remember to break down all larger items such as boxes and even milk jugs. Taking the extra time to break down your boxes will give you added space in your container.

If you are interested in ordering a recycling can please contact the Lindon City Utilities Clerk at 801-785-5043 or email at slaidler@lindoncity.org.
