Class Name: Beginning Quilting with Nancy at Night

Beginning Quilting is a six-session course designed for those starting their quilting journey. Over six 3-hour classes, participants will learn essential skills including rotary cutting, piecing 9-patch and monkey wrench blocks, adding borders, assembling a quilt sandwich, quilting with a walking foot, and binding a finished quilt. Students will receive an illustrated quilt manual in the first class with step-by-step instructions and space for notes. Participants should already be comfortable using their sewing machine. Homework will be assigned after each class to reinforce skills learned in session.
