

ELF WHIMSY Holiday Stocking

When: Saturday, November 7, 2026 10:30am-3:30pm

Instructor: Lori Noble: lorirehnaz@gmail.com

Supplies:

- * **Elf Whimsy pattern** by Lori Noble available at Modern Quilting.
- * **Fabrics:** ***you will want to decide if you want to do a scrappy version or a fabric only version. THIS IS A VERY SCRAP OR FAT QUARTER FRIENDLY PROJECT.

SCRAPPY VERSION: 1-Flannel 10" x 20", 1 10" x 20" piece of water soluble stabilizer such as Solvy. You will use the flannel to sew your strips onto and the Solvy to keep in place while sewing. The reason for the size is that it shrinks as you sew, also allows you to pick the best area for your stocking front top enough to make front and back pieces. Then refer to the pattern for remaining fabric needs.

[illegible]

NON SCRAPPY: Refer to the pattern

Finishing kit, you can purchase polyfil and a decorative toe embellishment from the instructor for a separate fee of \$2.00 payable at the time of the class.

Bring: Good working sewing machine with cords, rotary cutter, small cutting mat if you have one, thread, needles, pins, scissors, snack, drink and anything else that helps make sewing easier.
