Class Description: This table topper can be made in three sizes. The small is 20", medium is 24" and large is 40". The large size can also be transformed into a Christmas Tree skirt. Dig into your scrap basket or pull out some charm squares. This is a beginner friendly project.

Fabric: 20 squares of assorted prints: small – 2-2/1" squares; medium – 3" squares; large – 4-1/2" squares
background: small – 3/8 yd; medium – 1/2 yard; large – 1-1/4 yards. Contrast: small and medium – 1/4 yard; large – 1/2 yard. See pattern for binding and backing requirements. The background and contrast should be nondirectional fabrics.

Supplies: Sewing machine in good repair; 1/4" seam foot, walking foot, machine needles (microtex sharp 80/12 is recommended; new one in machine and spare needle), Rotary cutter with new blade (45mm recommended) and spare blade; 6-1/2" square ruler and another ruler at least 6" wide and at least 24" long, (I highly recommend you also have a folded corner clipper ruler. It will make the constructions much easier.) fabric scissors; thread snips; mechanical pencil; straight pins; seam ripper; cutting mat large enough to accommodate a fat quarter (18" x 24" minimum size), mechanical pencil,

Optional: small iron and ironing surface

Bring a sack lunch or snacks as we won't have an official lunch break.

Please be very comfortable with your sewing machine. Don't bring a machine that you have never sewn with before. **If you have one you haven't used for a very long time, dust it off and make sure it works properly and practice making a 1/4 inch seam.** You don't want to waste valuable class time trying to get your machine to operate as it should. If you need a refresher session on how to use your machine, contact the store to arrange a one-on-one tutorial for your machine.
