MODERN QUILTING

fabric + tools + notions

Class Supply List

Class: Mastering Half Square Triangles (HSTs) Teacher: Jen Griffith Phone: 480-229-6186

Date: Tuesday, November 10, 2026 Time: 10:30 am – 2:30 pm Class Fee: \$40

Class Description:

Half-square triangles (HSTs) are one of quilting's most versatile and beloved building blocks—and in this hands-on class, students will learn how to make them with confidence and precision. Whether you're brand-new to HSTs or looking to refine your technique, this workshop will guide you through multiple methods for creating perfect units every time.

We'll explore several construction techniques, including traditional two-at-a-time, four-at-a-time, and other efficient approaches. Students will also learn how to accurately square up HSTs, troubleshoot common issues, and apply helpful tips and tricks that make the process faster and more enjoyable.

Once your HSTs are trimmed and ready, we'll play with a variety of layout options—from classic pinwheels and chevrons to modern, dynamic designs—so you can see how these simple units can transform into stunning quilt blocks.

By the end of class, you'll leave with beautifully made HSTs, new skills, and plenty of inspiration for your next project.

Fabric:

- 3-5 assorted fat quarters

Supplies:

- Sewing machine in good repair, ¼" seam foot, extra machine needles, bobbins, coordinating thread
- Cutting Mat, Rotary Cutter, long ruler such as 6 ½" x 24 ½"
- 6 ½" square ruler (optional but helpful)
- Pins, seam ripper, thread snips or small scissors

Homework before class:

- While not necessary, having your fat quarters ironed and prepped before class is helpful
- Make sure you know how to use your machine, how to change feet, thread, bobbins, and needles.
- ****Don't forget to ask for your discount when buying your class supplies.****
