Edge to Edge Quilting

Pattern _____

Can we use a photo on our website? Y N

Thread Color _____

Bobbin Color _____

(We recommend the same color or value)

Minimum quilting charge is \$40. Please make sure your quilt top is neat, pressed and square. Inspect your borders to insure they are not wavy, as wavy borders will not "quilt out." Inspect your seams to insure they are all closed. Backing seams should be neatly pressed, and backings should be square. We will contact you if there is a problem that makes your quilt unable to be quilted. Completed quilts must be picked up within 60 days of completion, or they will become property of Modern Quilting and may be sold to cover the costs.
