Class Description:

Make a beautiful 8'layer Folded Star Hot Pad, measuring approximately 11" round. This is a beginner-friendly project.

Fabric: This project requires 8 layers of fabric for the star. Stack fabrics in your desired order to plan design (see examples below). Consider alternating high contrast fabrics, balancing solids with patterns, or using an ombre design.

- All fabric choices should be 100% cotton.
- Cut **Each** of the 8 Star top fabrics to either **6" x 20"** or **12" x 10"**.
 - ***The following can either be done in class or prepped in advance***
 - Cut each Star fabric into 3" x 5" pieces totaling 8 pieces per fabric, 64 pieces total.
 - Iron a ¼" fold along the top 5" edge of each piece.
- You will also need the following:
 - 1 piece **backing fabric** cut to 12" x 12"
 - 1 strip of **binding fabric** cut to 2 ½" x 36"
 - 1 piece of **Insul-Bright batting** cut to 12" x 12" (can be purchased at Modern Quilting)
 - 1 piece **template fabric** cut to 12" x 12" (this piece gets buried inside and will not be seen in the finished product. I always pick one of my UGLY-oops fabrics.)

Supplies:

- Sewing machine in good repair, ¼" seam foot, walking foot (optional), extra machine needles, bobbins, coordinating thread.
- Cutting Mat, Rotary Cutter (if cutting fabric in class)
- iron and ironing mat (if not prepped at home)
- Ruler (minimum 12"), Black SHARPIE, straight pins, seam ripper, scissors
