

Happy Camper Bag Supply List

Dates: Wednesdays March 13, 20

Time: 10-1

Instructor: Karen Wallace

Materials:

Happy Camper Bag Pattern

Materials as listed on Pattern. QuiltWorks has on hand most items with the exception of piping and buttons. We do have a few colors of 22 inch zippers in stock. I will bring some of my flower buttons to share.

Sewing Supplies:

- Sewing machine in good working order
- Quarter inch foot (I prefer the foot with an edge)
- Walking foot
- Rotary Cutter
- Portable cutting mat (optional)
- Portable Ironing mat (optional)
- Small iron (optional)
- Basic sewing supplies (scissors, thread, pins etc..)

Class preparation:

Please at the least have your applique pieces traced onto fusible Web (I used Wonder Under) if you would like to fuse to your fabric that would be helpful. Also have your camper body, lining, and fleece ready to go. In the first class we will be fusing the shapes to the camper and quilting them down. If we get there, I would like to start the zipper as well. If you have any questions, please don't hesitate to ask.
